

Antioch GS Referendum defeated 2-1

The recent defeat of the Antioch Grade School maintenance fund referendum places the administration of the school in the position of asking the board of education for a policy direction regarding future financing of the district.

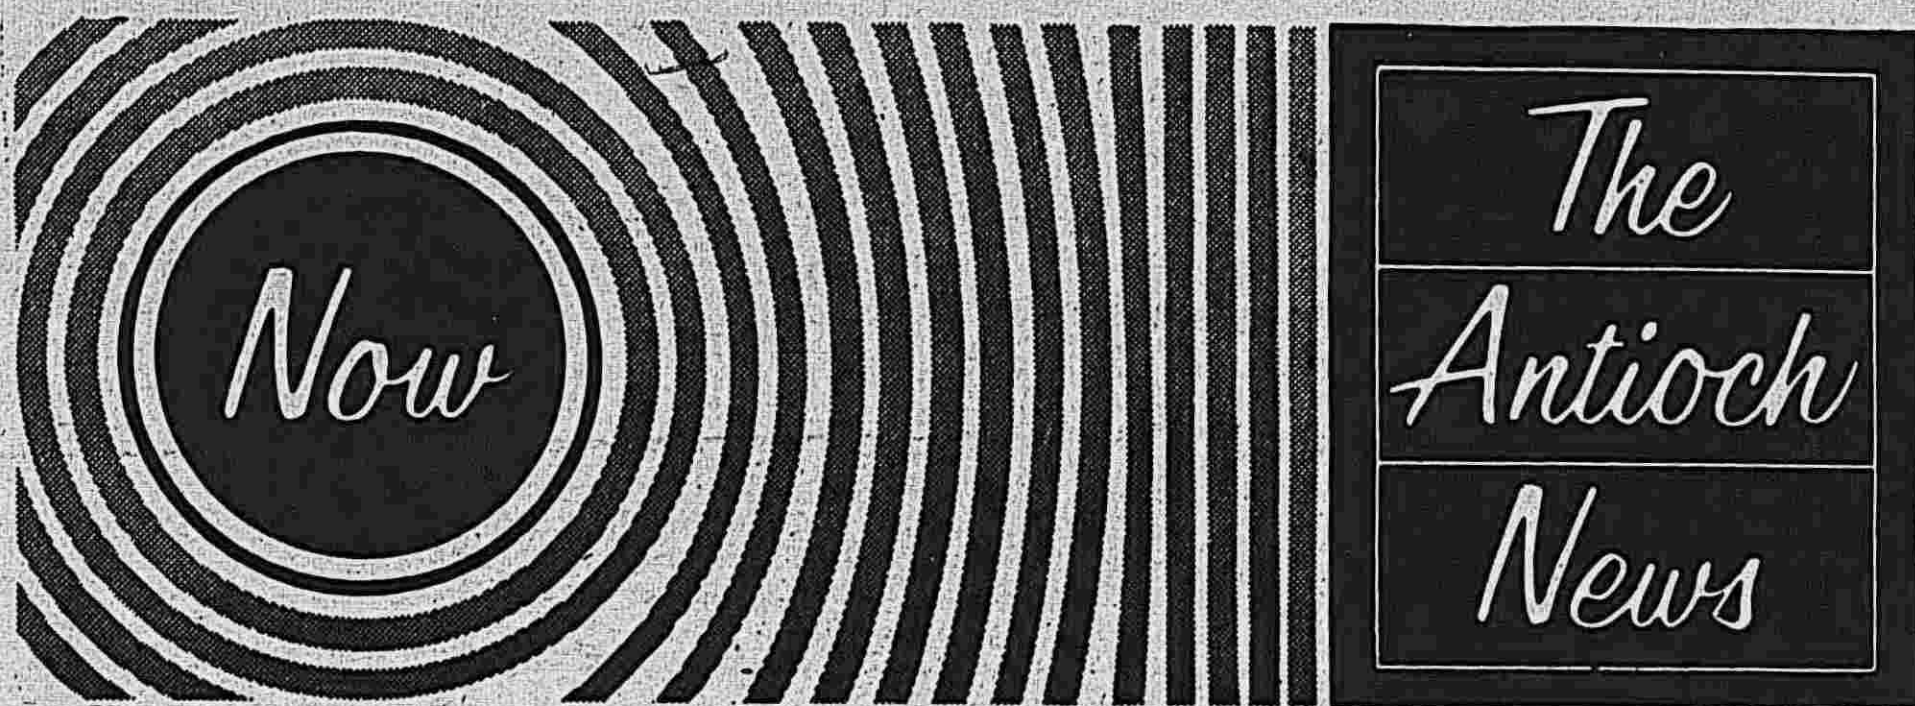

According to Mr. Henry Meyer, Superintendent, there appears to be two directions the board can take: 1) attempt to operate in the black with the

money which is available, or 2) operate at optimum level and go into the red. The first alternative would necessitate in the discharging of some teachers and custodial staff and getting along as best they can. The second alternative means moving into deficit financing.

Mr. Meyer pointed out that the educational fund of the district is in as bad shape as the maintenance fund.

A survey of the voting by area reveals that the issue was defeated at all three polling places: At the Antioch Grade School building the vote was 137 yes, 326 no, and 8 spoiled ballots; at Oakland School the count was 87 yes to 119 no; At channel Lake School the vote was 30 yes to 55 no. The margin of defeat was approximately 2 - 1 throughout the district.

Final count: 254 yes, 500 no.

One Liner

Why not go out on a limb? Isn't that where the fruit is?

Guards or Supervisors?

Five lay personnel, three women and two men, were hired this year at the high school to supervise the commons, freshmen home rooms, the halls, the resource center and the school parking lots.

When we discussed the purpose for having lay personnel in the building with Superintendent Dittman, he said it was to relieve the teaching staff of such non-teaching duties which could be handled by non-teaching personnel. This in turn would give teachers more time in the classroom.

The lay people act only as supervisors and do not deal directly in the discipline program but refer such matters to one of the teachers or administrators.

According to Mr. Art Blecke, Dean of Student Affairs, all five lay persons were brought into the school at a combined cost equal to the average salary of one teacher, or approximately \$11,000.

When questioned concerning the effectiveness of the program, Mr. Dittman said that he felt the program

was going along fine and that the information he had received from the Student Council to date was to the effect that a good relationship between students and Lay Supervisory Personnel existed.

When the Antioch News questioned the Vice President of the Student Council (Glen Amundson) there seemed to be a conspicuous difference in opinion of that of Mr. Dittman and that of the student body. Glen said that the students did not like the idea at all. That the presence of the Lay Supervisors (Guards, as they called them) made for a very bad learning atmosphere in the school. As a result, the students feel that the school is much too strict. The students are asking their Student Council to go to the school officials and ask for a relaxation of the present rules.

The feelings of the students (Juniors and Seniors) were made known to their respective council members last Friday when each class held a class assembly to give the students a chance to air their opinions.

Antioch Post Office

& Rainbow Girls

Care For Men Overseas

The Antioch Post Office, with the help of the local chapter of Rainbow Girls, recently sent packages to 28 boys stationed overseas. Each person received 2 packages: the first, a box of homemade cookies baked by the Rainbow Girls, and the second a "box of goodies" such as gum, potato sticks, sausages, kool-aid, foot powder, tooth paste, etc. The Rainbow Girls also assisted in packing the boxes.

If this award winning program is to continue the Post Office needs more contributions. If you wish to donate money or articles you may drop either off at the Post Office.

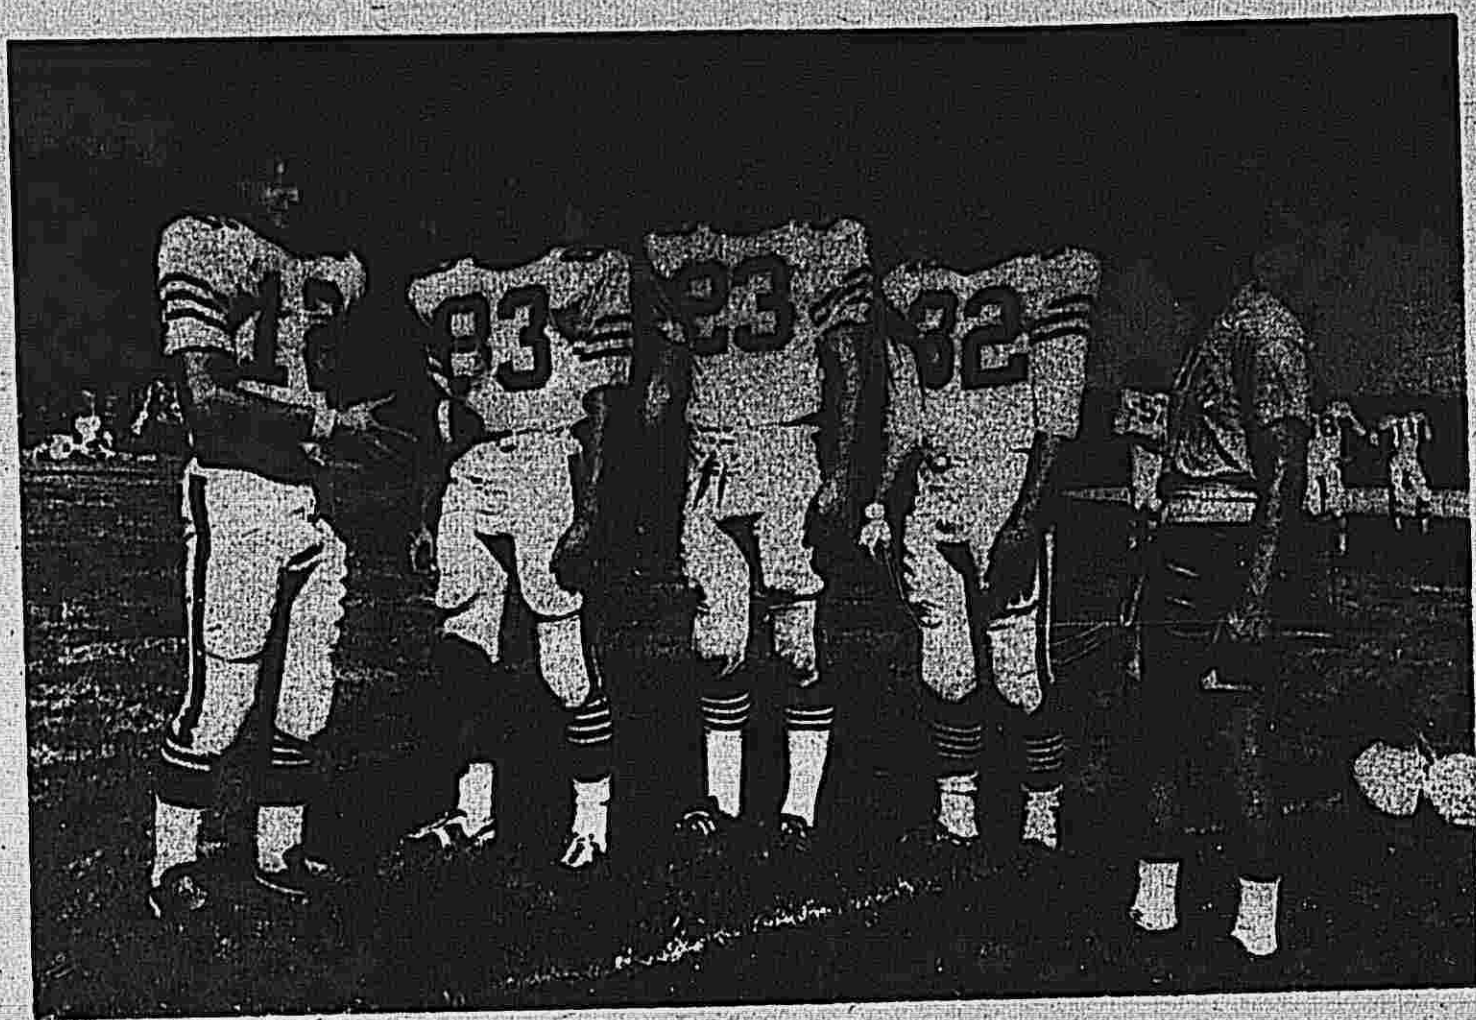

The Post Office employees also wish to remind anyone who has a son, a daughter, or a husband with an APO address to notify them so they may be added to the mailing list.

Emery Chandler Features Antioch In Publication

Emery Chandler, a member of the English department at Antioch High School, recently had an article published in the September, 1971, issue of DISCOVER ILLINOIS. The article, "Chain O'Lakes, Northern Illinois' Year Round Recreation Rendezvous," features the activities and site seeing available to vacationists to the area.

The Village of Antioch, its place in the recreational development of the area, its educational and cultural assets,

its service organization and its industry, figures prominently in the article.

Two photos in the article are credited to the ANTIOCH NEWS team of Joe and David Rush.

DISCOVER ILLINOIS is a publication of Heritage Publications of Salem, Ill., and is dedicated to encouraging tourism throughout the state. Copies of the magazine are available from members of the Antioch Chamber of Commerce who helped sponsor the article.

ACHS Music Students Commended

The music students at Antioch Community High School received special commendation from the staff at the Rantoul Air Force Base U.S.O. In a letter received from the U.S.O. Secretary it was stated that the "music students (were) a great bunch of young people." The letter also quoted one young airman as saying the concert had been the "best musical program (he had) ever heard." The letter was read to the board of education of ACHS at their regular board meeting on Wednesday, September 15, as part of a report on the summer music camp made by Mr. Ralph Brooke, camp director.

In other business the board heard a report that the remodeling work on the high school is "progressing well." All areas are tentatively scheduled to have electrical work completed in October.

A discussion was held centered on the policy of the board regarding discipline measures within the school. Questions were raised particularly in the area of suspension of students and what types of misconduct were considered major enough to warrant such action. It was suggested that the administrative officers in charge of discipline draw up ways or options for suspensions and to conduct

hearings with the welfare of the students in mind.

The new Administrative Staff Manual was presented and reviewed by the board. The new book has been dubbed the "Blue Book" and replaces the "famous Black Book." The manual details the responsibilities of the administrative staff of the high school and grew out of a report by a committee made up of members of the administration and heads of departments. The new manual was re-edited by Al Dittman, Supt. of the high school, prior to being presented to the board.

Questions were raised regarding the implementation of some aspects of the report, particularly in relation to salary changes for department heads. There are two points of confusion: the present negotiations going on between the board and the teachers, and the wage/price freeze. The Teachers Association wishes to retain the department heads as members of their organization whereas the administration prefers that they become part of the administrative structure of the school. Since negotiations are continuing with the teachers the status of the department heads cannot at this time be determined. A question also arises regarding the legality of giving pay raises to department heads under the current wage/price freeze. It was pointed out that few, if any, of the department heads are functioning in any way

differently from the way they functioned before their tentative change in status. Also, there was no change of name or position. It was determined that due to the development of new management classifications a pay raise could probably be justified. It was decided to wait until all positions are clarified and defined and negotiations are finalized.

The high school was visited in March 1971 by a team of educators from the Office of the Superintendent of Public Instruction. A brief review of the report indicated that ACHS "has a good comprehensive program," but that, "more articulation between the high school and (underlying) grade schools" is needed.

The board also held a brief discussion of the meeting called by the Illinois Association of School Boards on September 2. It was reported that apparently much of the unrest currently found in schools is to be attributed to forces placed on the educational system by external groups. If this is true, the Ill. Assoc. of School Boards is preparing materials to help offset such problems.

At the close of the meeting the board heard a report from Jack Smith, Administrative Assistant to the Superintendent in charge of finance to the effect that "efforts of the board have reduced operating expenses from last year (by) \$100,858."

Upper Grade Bids Put Off For Landscaping

A special meeting of the Antioch Community Consolidated Grade School Board of Education was held on Tuesday, September 14, for the purpose of opening and reviewing bids submitted on the land improvement phase of the new Upper Grade Building.

Bids were received for two different phases of improvement: improvement and development of a lawn adjacent to the building and also for the general site improvement work.

Bids were received on the lawn work from Sieg Lawn and Garden of Waterloo, Wisconsin; Walter Stern and Sons, Mundelein; and from Wm. Muehlenbeck and Sons, Des

Plaines. For the Site Improvement phase bids were received from Wm. Contracting Co., Marengo, Ill.; Fox Trucking, Antioch; Town and Country, Chicago; and Lakeland Construction Co., McHenry.

Since there was some confusion regarding the bidding the board took no action at this time pending further clarification.

A letter from George Palaske requesting permission to move a house across the Antioch Grade School yard was tabled until the next

regular meeting of the board.

A report on the transportation situation was given to the board. It was reported that the busses are overcrowded. The schools need either another bus or a cutback on transportation. Of some help is the fact that the insurance company is issuing checks in the amount of \$1500 towards purchasing of a replacement for the bus stolen earlier.

Public Relations Gap

In the midst of the generation gap, and the credibility gap our local schools have developed another very serious gap and that is a public relations gap.

More pointedly neither our High School nor our grade school have any type of well developed and continuance program of good public relations. What little they do, is always too late or after the fact and really falls into the area of propaganda rather than true public relations.

If the break down in public relations was only between the schools and the general public it would be bad enough, but as recent events point out this gap also exists between students and the school, between teachers and the school and to a degree between the various boards of education and their administrative personnel.

At this point you might say that what I am talking about is lack of communication and not public relations. For our purpose here the two terms really hold the same meaning. Communication is an exchange of thoughts and ideas and public relations is the action of our organization to promote a favorable relationship with another group. So you can see that no matter what you call it, the absence of both is a serious problem.

The events of the past year beginning with the high school teachers walk-out of that fall, the defeat of the educational tax referendum proposed by the high school last spring, the misunderstanding regarding the bussing of kindergarten students by the grade school this fall, the deadlock which the high school teachers and their board of education are now at, the defeat of the grade school's maintenance fund tax hike last Saturday and the misunderstanding now at the high school between some parents and most students concerning the non-teaching supervisors.

Whether teachers, administrators and members of the boards of educations like to admit it or not, their existence is because of a general public and the children of that public. Now as no other time in history our public schools need the continuous support of the general public. Whether or not educators like it they have a job of re-selling quality education to the public and this can only be done through an on-going and continuous, honest, public relations program and not a hit or miss propaganda program.

As one parent put it to us this past week, "What is

Concern for Senior Citizens

Over the past few months I have become quite concerned over the issues of inflation, high taxes (local, state & national), as well as unemployment. But often I look to the senior citizens, and feel that they are probably hit the hardest. So this has become a growing concern for the health and welfare of our respected senior citizens, only adding a few more dollars to the social security checks each month does not cover all the social ills. Too often, I feel that our U.S. Senators, Congressmen as well as the state representatives forget to support or sponsor more legislation to help benefit these fine American citizens. So, I have drafted several recommendations which would help the senior citizens, if adopted by the General Assembly. (1) That Congress approve Congressional legislation permitting senior citizens to travel abroad at 1/2 price per round trip. (1a. that airlines adopt a senior citizens airline club, costing a small fee to senior citizens which would be good for a meal and soft beverage upon presentation while traveling.

(2) That the General Assembly adopt a "Senior Citizen Bill of Rights" (2a. If necessary, perhaps the personal property tax, if the U.S. Supreme Court rules its constitutional; the General

Assembly approve legislation exempting all senior citizens, providing they do not maintain a business, and if only they are on social security retirement plans, etc. other than holding investments such as stocks, etc.

(3) That County government cut real estate taxes to 1/3% of what they presently pay (3a. That local municipalities reduce the cost of vehicle stickers by 1/2% or more per cost, per (one) family car. That Commuters reduce their rates by 1/2% of cost per ticket to senior citizens. These recommendations, if approved, would provide more additional money to senior citizens so they can live a life more comfortable without having to scrape every cent they get from the government, to stretch a bill from one month to the next. They deserve this much or more, so, why not provide these programs as a salute to our Senior Citizens. This is a small price to pay for the foundation they laid.

Very thankfully yours,
s/ Charles A. Breeden
Park City, Ill.

the big secret they are trying to hide up at the school". The parent was referring to the "Guards" at the high school, but in a sense they could have been talking about either grade or high school.

Why, at a time when education needs the greatest possible public support do our schools continue to operate in a virtual news blackout.

I feel our local educators should take a long look at the almost total lack of a public relations program. Every major business in Antioch spends a great deal of time and money each year on public relations, not just once or twice a year but continuously, that is every major business except our schools who constitute the largest business in our community.

Senior Citizen Housing

A letter from Congressman McClory was read to the members of the Antioch Area Chapter at the business meeting last Tuesday the 14th, in order to enlighten them on just how the "Low-Rent High-Rise Apartment" program stands for the Antioch Area as sponsored by the local chapter.

It was back in the spring of 1965 when the idea of trying to get in action a project such as the high-rise low-rent apartment for the Antioch area for housing of the elderly in need of low rent housing. President John L. Horan at that time fulfilled the necessary requirements for those living in the Antioch area to sign application cards which were accomplished with registrations taken at a meeting in the Antioch Village hall with seventy-six completing the requirements.

From that time until the present day it has been one session after another with letter writing, discussions, visits to the "Shiloh Towers" low rent project in Zion where the HUD office for Lake County is located, visits to the Chicago office.

The Antioch Village Board upon request appointed a Village Housing committee as follows: John L. Horan, Marilyn J. Sterbenz, Walter Delaney, Irving Walsh and Mrs. Alvin Nelson with John L. Horan voted to act as committee chairman.

At the present writing information is gathered that all of the necessary papers signed and sealed have been cleared at the office of HUD in Chicago and they are resting in a pigeon hole waiting for someone with real clout to get some action before snow comes.

It is a real shame that when it comes to a project effecting the village's elderly citizens some of the village officials and a number of the citizens in Antioch shy away with their backs turned showing no interest just as long as the project does not affect them.

John L. Horan

Timothy O'Connell is 89- begorra!

TIMOTHY O'CONNELL is the gentle, small of stature, jovial, friendly man behind the counter in Reeves Drug Store. Mr. Timothy O'Connell (really known as Tim) has been at the service of Reeves' customers for 23 years. Each day, each hour, from 8 a.m. to 2 p.m., he willingly helps the kids find their favorite chewing gum, exchanges quips with his peers, humorously gives a tip on the horse races, razzes the loosing baseball fan, selects the best tobacco for his friends, and assists mother in the common needs for the medicine cabinet.

In 1913 - a spunky, determined, and fearless Irish lad arrived in the States. Tim stayed a couple days in the big city of New York keeping out

of trouble yet knocking around the town. His only fear was the Irish cops. Then he went on to Detroit. There he found one of his neighbors (Art O'Leary) from way back home in Cork, Ireland. Art had a saloon and was doing very well.

The first thing that Art demanded of Tim was - become an American citizen. After that obligation was taken care of, Art took Tim to the ball park. As Tim reminisced, "I saw my first ball game, I loved it. I went back to old Nevin Field the next day, and the next, and the next...., and I saw Ty Cobb and Walter Johnson."

Mr. O'Connell found himself a job with a towel service in Detroit. The "Big

Crash" came in '29. Jobs were scarce even impossible. "Leave the city", Tim prompted himself. Tim did that and settled in "The Hub of the Lakes" in 1934. Jobs being still tough to find, Tim made quite an operation out of the lawn mowing business in Antioch. In 1947, Mr. Reeves found in this little man a tremendous soul and hired Tim to work in Reeves' Drug Store.

NEXT WEEK - SEPTEMBER 28 - Tim O'Connell will celebrate his 89th birthday. Tim put it this way, "I was born September 28, 1882 in Cork, Ireland just 3 miles away from the Blarney Stone. Kissing stones is quite the folly; kissing girls is twice as jolly."

Every week Tim has played golf with his good friends like John Miller, Dudley Kennedy, Bill Kuhlman, and Rudy Eckert, out at Spring Valley where he is a Charter member.

Two weeks ago, Tim fell on the basement steps. The consequences - no golf, and no vacation that he had planned in Dearborn, Michigan.

Yet, Tim in his inimitable way says, "I have had a nice life and especially in Antioch. The dear people at the store and the Lord are good to me."

HAPPY BIRTHDAY, TIM O'CONNELL from THE ANTIOCH NEWS staff and all of your many friends in Antioch.

JOHN L. HORAN LEGION HISTORIAN

John L. Horan received his second year appointment as Legion Historian for the State of Illinois. With his new assistant, Les Gridley, of Peoria, Illinois he attended an executive board meeting on Saturday at Bloomington Illinois Department Headquarters for the Illinois Legion.

Village Board ACTIONS

Lou Simon, Chairman of the Beautification Committee of the Chamber of Commerce, presented to the village board plans for the placing of trees in the downtown area of Antioch. The board recommended that the trees be placed in pots rather than set into the ground, and that the merchants would be responsible for water and maintaining the trees.

It was pointed out at the Sept. 20th meeting that the village's ordinance regarding women bartenders is in conflict with state law. It was recommended that the village's ordinance be reviewed for possible change.

Preliminary plans for a school to be built on the property of Faith Evangelical Lutheran Church were presented and approved. Mr. Nordstrum reviewed the sketches for the building which will provide 7 classrooms, a library and a gym, plus an enlargement of the church. The purpose of the preliminary drawings is to help spot problems before they are incorporated into the working plans. Approval of preliminary plans does not necessarily mean automatic approval of final plans which must also be submitted for final approval.

Police Chief Jack Davis requested permission to purchase a copy of Haines Directory of telephone numbers and addresses. With this cross reference it is possible to identify a person knowing only his telephone number or his address. The matter was referred to the Police Committee. Chief Davis also reported that the new system of issuing parking tickets seemed to be working. \$384 has been collected in parking fines under the new process.

A final payment of \$2,801.51 was approved for storm sewer work completed by Ziegler Construction Co.

The Knights of Columbus were given permission to hold a tag day on November 12 and 13 for the aid of retarded children in the Antioch area.

The board also approved the

Cerebral Palsy March scheduled for Jan. 16, 1972.

Mayor-Ray Toft reported to the board regarding a meeting of area Mayors held at the Fox Lake Village Hall in which the Explorer Program was explained. The program is open to boys and girls of high school age and is designed to help young people investigate various vocational fields. Mayor Toft reported that it was hoped the village would support such a program. A speaker representing the Explorer Program will be invited to explain the activity to the board and any other persons who are interested at a future meeting.

Antioch Electric presented a bid for the installation of a new circuit panel and the revamping of the electrical system in the fire house. The bid for \$595 was approved.

Property owners are reminded that if overgrown lots are not properly cleaned off the village will do the job and the owner billed for the service. This includes the expense of heavy machinery and equipment if it becomes necessary to do an adequate job. The village's only responsibility is to provide 10 days notice to the property owner.

The board approved the seeking of bids for a new well site. They also approved the power rodding of the 134 catch basins in the village if the price can be held to that charged for the same job last year.

The board also approved the drawing up of an ordinance which would allow the village to pick up leaves which have been properly bagged. It was pointed out that HOD does not supply this service and since residents cannot burn the leaves it does present a problem which must be corrected. It was agreed that starting Oct. 1st village crews will begin an every Monday pickup of leaves which are properly bagged and brought to the curb.

Community Pride And Beautification Committee Meets

A special meeting of the Antioch Chamber of Commerce was held at the Village Hall on Thursday, Sept 16, to discuss the possibility of a renovated Main Street. Representatives of Reynolds Aluminum and Woods Construction Company were present to lead the discussion.

Dick Woods of the Mundelein based construction firm, introduced two representatives of Reynolds Aluminum who showed several slides featuring new and remodeled construction which had used products manufactured by their firm. The emphasis was on remodeled store fronts and canopies for the protection and comfort of shoppers in

downtown Antioch.

Lou-Simon and Bob Wilton, co-chairmen of the Community Pride and Beautification Committee of the Chamber, hosted the gathering. Mr. Simon explained that one of their objectives was to create a shopping center atmosphere for Main and Lake Street areas.

It was the consensus of the group assembled at the hall that the first logical step would be consultation with an architect who could develop a master plan for downtown Antioch and provide the merchants with some idea of the cost of the project.

Anyone interested in the project should contact either Lou Simon or Bob Wilton for more specific information.

Don't miss your big chance for outstanding entertainment throughout P M & L's Season 11 at a very reasonable price.

Patrons of live theatre have until October 1st to purchase a P M & L season pass for \$6.00. Four plays will be presented during the season in October, February, April and June. After October 1st and throughout the first play the price will go up to \$7.50.

The first outstanding play of the season will be *The Price* by Arthur Miller and directed by Gerald Pettera on October 16, 22, 23, 29 and 30, at the P M & L Theatre, 877 Main St., Antioch. Curtain time is 8:30 P.M.

It's a great evening out for a couple, get a theatre group together, give a season pass as a present. Whatever you do -- support live community theatre in Antioch and buy a season pass.

Passes may be ordered by mailing a check for \$6.00 per ticket to P M & L, Box 23, Antioch. If further information is desired call 395-9702.

FALL THEATRE WORKSHOP ANNOUNCED

The Troupe, a theatrical company in residence at the Antioch Country Club Playhouse, announced today the opening of its fall workshops. A dual program is being instituted for the development of both acting and musical troupes. Those who are accepted will be trained in all phases of the performing arts by professional artists. Apply at the theatre any day after 2 p.m. except Monday. Bring photo and resume of experience. Ages 16 to 18 will require parental permission.

CHILDRENS THEATRE AT ANTIOCH COUNTRY CLUB

In preparation for the coming children's theatre at the Antioch Country Club Playhouse, classes in the performing arts for children aged 8 to 16 are in the planning stage. No opening dates have been announced, but parents are urged to write for details. Address inquiries to Antioch Country Club Playhouse, Rte 59 and Grass Lake Road, Antioch.

MY FAVORITE INTERMISSIONS: the Victor Borge book of outlandish overtures, ludicrous librettos, scandalous sopranos, cantankerous composers, blistering ballets and other musical facts you never wanted to know before, by Victor Borge and Robert Sherman.

ASK ME A QUESTION ABOUT ROCKETS, SATELLITES AND SPACE STATIONS by Sam Rosenfeld. What keeps a satellite from falling to earth? How can a rocket move through millions of miles of space without burning fuel? The author provides answers to these and many other questions.

THE NEW FEMINISM by Lucy Komisar. Outlines the history of the women's liberation movements and the issues which have become prominent in its course.

COCKROACHES by Joanna Cole. Studies the natural history, life cycle and research potentials of this tiny creature.

With pears just right for canning and fall just around the corner, now is the time to think about the delicious pies for the coming holidays. This recipe is most delicious and easy to can and have on hand.

MINCEFRUIT PIE FILLING

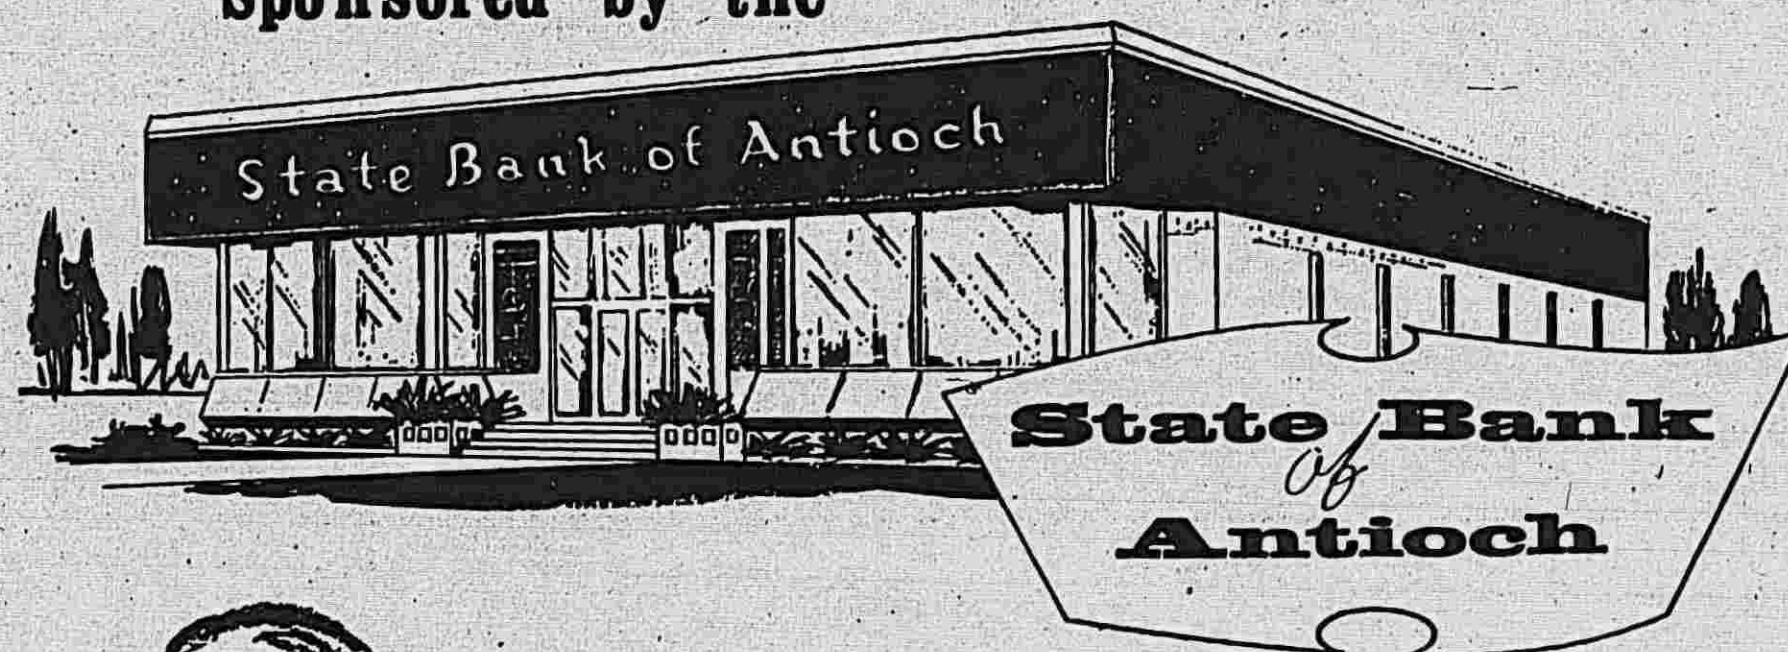

4 lb. pears (24 med)	3 lb apples
4 med oranges	2 - 15 oz pkgs seedless raisins
5 cups sugar	1 Tbsp salt
4 tsp cinnamon	1 tsp cloves

Cut unpeeled pears, apples, oranges in quarters. Remove seeds. Run thru medium food grinder.
Add rest of ingredients to the fruit and bring to a boil. Simmer til thick (about 1 hour). Stir frequently.
Pack at once into pint jars. Process in boiling water bath (212) for 25 minutes. Makes 8 pints.
NOTE: Use 4 cups filling for a 2-crust 9" pie. Bake at 400 degrees for 25-30 min.

ADDRESS

My suggested Home Coming Theme is:

SEQUIOIT SMOKE STACKS

Now that those getting use to school again blues are over, activities around Antioch High are beginning to pick up. STUDENT COUNCIL started out the year by sponsoring a "gripe assembly" for the juniors and seniors. The purpose of this assembly was

to inform the student council what the rest of the students want them to work for this year. Among the things suggested were getting rid of the guards in the halls, an open campus, and a smoking lounge.

An installation was held Friday morning for the new freshman class officers and student council representatives. Those installed were: KEVIN ANO, president, JOHN WALKER, vice president, MIKE JONES, treasurer, CAROL ZEMAN, secretary and CINDY FRANKE' GINNY

STREZNECKI, WENDAL BURGESS, and JOHN SUNDEA, student council representatives.

The COLORGUARD held a bake sale Saturday, September 18, from 9:00 to 12:00 a.m. at the State Bank of Antioch. The money they earned will help pay for their uniforms.

CHEERLEADING tryouts for the junior varsity squad were held last week. Because of the large number of girls trying out cuts were made Wednesday and Thursday night before the finals Friday. Those who survived to the end and will lead the junior varsity pep section are SHARON HALL, KATHY TOFT, DEE DEE MOLNICK, WENDY LAURSEN, CINDY SOLAND and JULIE ELLIS.

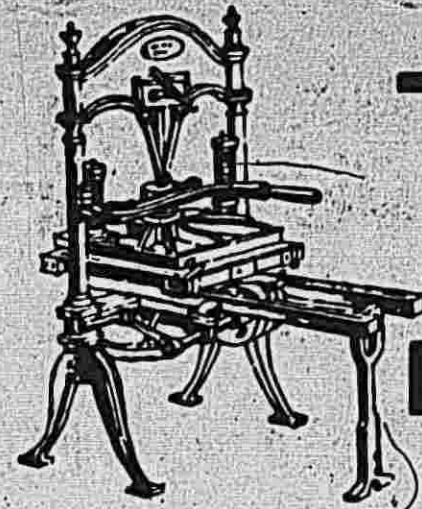

The FIGHTING SEQUOITS started out the football season right by scalping the North Chicago Warhawks 17-0. Neither rain nor cold kept the fans from cheering their team to victory.

Speaking of cheering, the Antioch side had a slight advantage over North Chicago. JOHN SEBELIEN, a former Antioch student, brought a few of his friends to the game to help with the cheering. I bet the team was really surprised when they looked up in the stands and saw them literally filled with visiting sailors from the Great Lakes Naval Base.

One Sequoit didn't get to see the whole game. Co-Captain, DAVE DONICA, was taken to the hospital in a rescue squad after being knocked out by a pretty rough tackle. We all hope he will be all right.

Well see you next week. Bye...

Norvin E. Stoffel, Virgil Felter, John Bruckner, Jr. and Oliver Hughes are new officers of Felter's Association of Lake Catherine.

Mr. and Mrs. O. L. Raether are guests of honor as their daughter Ruth is installed as worthy advisor of the Antioch Assembly, Order of Rainbow for Girls.

10 YEARS AGO, SEPTEMBER 21, 1961

A spooky steer, escaping from the Benedictine Monastery, traced a course through Oakwood Knolls, south on Depot, through Spafford Street lots, even going into the Hillside Cemetery, winding up in a field near highways 21 and 173 before finally being subdued by Mac Fire and Ron Halverson.

Elaine Palm Attends IBA School

ELAINE PALM arrived home on Friday night from two weeks at the Illinois Bankers School at Southern Illinois University, Carbondale, Ill. The school is sponsored by Illinois Bankers Association.

The co-educational school consists of 2 resident summer sessions of 11 days each. Mrs. Palm has next summer to attend before receiving her degree. The students receive intensive instruction in bank investments, operations and control, banking law, economics, bank administration, public relations, loans, bank credit, agricultural credit, real estate lending and public speaking.

The school's faculty is made up of accomplished men and women from all areas pertinent to the banking profession.

ROYAL NEIGHBORS HOST PARTY

The Royal Neighbors Olson Camp No. 459 met at the American Legion Hall on Tuesday, September 14th.

The flag was brought in the Lodge Hall by Leota Eppers and the Pledge of Allegiance was recited by all.

Our Oracle, Irma Hostetler was on vacation. Her chair for the evening was filled by Dot Golden.

A short meeting was held after which a surprise birthday party was held for Emily Novotny. She received many beautiful gifts and loads of cards. Ellen Reekie also had a birthday.

Hostesses for the evening were Eva Fields, Curly Wertz and Lillian Hand. Card games followed the delicious refreshments.

The next meeting will be held on September 28th.

METHODIST CHURCH RUMMAGE SALE

The Woman's Society of Christian Service of the United Methodist Church of Antioch, Illinois will hold their annual Fall Rummage Sale on Friday, October 1st in Wesley Hall from 9:00 a.m. to 6:00 p.m.

In addition to the usual assortment of nice, clean rummage, there will be a bakery booth with homemade goodies, and a White Elephant

Booth with knick-knacks, jewelry and miscellaneous items.

A French Room will include the nicer, slightly higher priced rummage articles - all good buys.

Coffee and cake will be served from 9:00 a.m. to 1:00 p.m. Come and have a good time browsing, shopping and enjoying coffee and cake.

Dolores Pierce Is Installed

Dolores Pierce of the Installment Loan Department of The State Bank of Antioch, was installed as Vice-President of Credit Women-International,

District Thirteen, on Tuesday Sept. 14. The installation dinner was held at the Country Squire. The post of Secretary was held by Dolores last year.

Congratulations to Mr. and Mrs. Robert Johnson on the birth of a bouncing baby boy on September 14th.

A little pink bundle arrived on September 15th to Paul and Dorothy Chase. Donna Marie tipped the scales at 5lbs. 13 oz., and is 19½ inches long. Kathy 15, Paul 13 and Fred 10, can't wait until their new sister comes home.

Maternal grandparents are Mr. and Mrs. Louis Galetka of Marion, Wisconsin and the paternal grandparents are Paul and Dortha Chase of Antioch.

ST. PETERS ALTAR

AND ROSARY SOCIETY

St. Peters Altar and Rosary Society held their first meeting of the year last Monday evening.

The meeting was followed by a very interesting program given by Mrs. Stagg of Lake Villa. She spoke on Religious Education for the "Exceptional Child". Various slides were presented showing how the teachers teach the exceptional child.

Refreshments were served by the officers of the organization.

A door prize of \$5.00 was won by Mrs. Pat Schreiber.

Mr. and Mrs. Walter Johnson of rural Antioch, Illinois announce the engagement of their daughter, Christine Marie, to Mr. Richard Lee Kumler, II, son of Mr. and Mrs. Richard L. Lumler of rural Bellflower, Illinois. Miss Johnson is presently attending Illinois Wesleyan University, in Bloomington, Illinois where she is a junior majoring in Spanish. She is a member of Alpha Mu Gamma, an honorary foreign language society. Mr. Kumler, also a student at Illinois Wesleyan, is a biology major. He hopes to attend medical school upon graduation next June. A March 25th wedding is planned.

New Deductions

A baby girl, Darlene Renee, was born to Fred and Janet Freitag on September 13th. Proud grandparents are Mr. and Mrs. Kimmy.

Mr. and Mrs. James Meece (formerly Linda Brown) are the parents of a baby boy born on September 3rd at Condell Hospital. Jasen LaVerne weighed 5lbs., 7¼ oz.

Maternal grandparents are Mr. and Mrs. Harrison Brown of Antioch. Paternal grandparents are Mr. and Mrs. E. L. Meece of Champaign, Illinois.

Jennifer Lynn, the first baby of Mr. and Mrs. Jeffrey George arrived on August 30th. Mr. George will meet this young lady for the first time when he arrives home from Viet Nam on September 27th.

Joe and Pat Zeien are the proud parents of a baby girl born on September 6th. She weighed 9lbs., 17 oz. Grandparents are Dutch and Helen Zeien and Dick and Irene Cheterbok.

Amanda Carleen, born on September 7th, is a new member of the John Sherman family. She weighed 6lbs. 13 oz. at birth and has a five year old brother Darrell. Maternal Grandparents are the Clarence Larson's and great grandparents, the Harold Ellis' of Antioch. Paternal Grandparents are the William Trempe's of Iola, Wisconsin.

SOCIAL NOTES

by Del Jahneke

The John Sherman's of Antioch are the delighted parents of a brand new baby girl, Amanda Carleen, born on September 7th, at St. Therese Hospital in Waukegan. This wee miss weighed 6lb. 13 oz. at birth, and is now at home with her happy five year old brother, Darrell. Proud maternal grandparents are the Clarence Larson's and great-grandparents, the Harold Ellis' of North Main Street, Antioch. Paternal grandparents are the William Trempe's of Iola, Wisconsin.

Sorry to report that Mr. Edna Rathmann, Oakwood Knolls, has now been a patient at Victory Memorial Hospital, Waukegan, for over seven weeks. Get well cards will surely speed her recovery.

The Robert H. Dunlap Jr. family, Grass Lake, have returned from a 12 day vacation trek to the northwestern states. They traveled Interstate 80 straight through to Boise, Idaho, and from there, to New Meadows, Idaho. New Meadows is a small village nestled in a deep valley high in the mountains, with rushing clear, cold streams. It is also the home of Lenore's cousin, Margie Warren, her husband Phil, and their three sons. The Warrens had formerly lived in Downers Grove, Illinois, and have friends in the Antioch area. A unique experience occurred when the Warrens took the Dunlaps to a series of three natural hot springs pools with the water varying from 80 degrees to 125 degrees and considerably hotter in the third pool. No one ventured to swim in the hottest pool! These springs had wooden partitions and had once been part of a popular spa, long ago. With the owner dead, his heirs are

caretakers, and since these are natural hot water springs, they are open and free to the public.

Hunting for gem stones provided some back-breaking fun, but no valuable rocks. The Warrens have found some attractive gem stones but they've had more time, since they've lived there several months now.

On one of their drives, they followed the scenic Salmon River, often referred to as "the river of no return". It is a swiftly flowing river, with rocks and many stretches of "white water". Lenore, Bob and children continued their trip into the Grand Tetons - all the mountains - Rocky, Big Horn, etc. were breath-takingly beautiful. There is a sublime majesty to mountain scenery that defies description. On to Yellowstone National Park, where they enjoyed watching "Old Faithful" spouting its geysers high into the sky. They saw many brown bears, but kept to the "hands off" policy.

From there, they visited the Buffalo Bill Museum at Cody, Wyoming. As they went through the Big Horn mountains, climbing the switchback roads back and forth, it was frightening, but the pine forested scenery and steep chasms were so gloriously lovely, they forgot their fright.

All the Dunlaps (Baby Laura didn't comment) were deeply impressed with Mount Rushmore's huge rock hewn faces of four U. S. Presidents.

They saw the Crazy Horse Monument, which is still being blasted out of solid rock. It is estimated that it will take four to five years to bring this monument to completion.

A brief stop at historic Galena, Illinois, and then directly home to Grass Lake, Antioch. Bobby, 7½ years, and Rod, 4½ years, excitedly said their biggest thrill was sitting and talking with an Indian Chief, dressed in full, colorful Indian regalia!

HIGH SCHOOL P.T.A. BOARD MEETS

The Antioch Community High School P.T.A. held their first board meeting of the year to plan their meetings.

The officers of the club are: President - Mr. Alan Knutsen Vice President - Mrs. Mary Chase Secretary - Mrs. Marion Dobslof Treasurer - Mrs. Ida Wysoglad

The first meeting will be October 6th at 8:00 p.m. This is the Annual Back-to-School Nite, where parents get a chance to meet their children's teachers, and visit all class rooms. A short business meeting precedes the visitation along with a welcome from Principal Albert Dittman and President of the P.T.A. Alan Knutsen.

A fund raising event is being planned for mid-November along with the A Club. They hope to book the Chicago Cubs "basketball team".

ELIZABETH A. WURSTER

GRADUATES FROM BANKING SCHOOL

Diplomas were awarded to 68 bankers here today during graduation ceremonies of the Illinois Bankers School sponsored by the Illinois Bankers Association. Elizabeth A. Wurster, of the State Bank of Antioch was among those graduating.

Lewis H. Clausen, IBA president and president, Champaign National Bank, presented the diplomas to the graduates and also delivered the commencement address.

The co-educational school consists of two resident summer sessions of 11 days each. Students receive intensive instruction in bank investments, operations and control, banking law, economics, bank administration, public relations, loans bank credit, agricultural credit, real estate lending and public speaking.

The school's faculty is made up of accomplished men and women from the fields of banking, education, agriculture, law and other areas pertinent to the banking profession.

According to Clarence J. Lehecka, chairman of the school's board of trustees, and senior vice president, Merchandise National Bank, Chicago, more than 1100 bankers have graduated from the school since its inception in 1953.

JULIO's AMERICAN FAMILY - (L TO R) JAY-MRS. RAU, JULIO, ANDY, MR. RAU, ROMAIN (back) & LORI

Open House For JULIO

JULIO GERRARDO SANCHEZ, our AFS student this year, is staying with Mr. and Mrs. Ronald Rau and family on Hillside. His American parents were asked to give us a bit of information on the personal happenings with Julio.

"August 6th turned out to be quite a memorable occasion at our house. That night we met Julio, alias 'the Bear', in Naperville. His friends had given him that name because he could sleep through anything and did, all the way from New York. But his disposition changed as soon as the bus arrived at its destination. He saw to it he was the third one off the bus and he literally exploded off that bus, threw his arms around each of us, whirled us around and around, hugged and kissed each of us, called each of us by name; the excitement was overwhelming! It was like greeting a good friend that had only been away a few months.

Julio tells us that his most

embarrassing moments so far were when he got lost on the way to school the first day. That was the first day he went anywhere by himself. At breakfast time we were teasing back and forth about how terrible it was that school was starting for us and he said he was kind of shaky about the whole thing and besides that, he didn't know the way to school. We all had a good laugh about his funny joke. We finished breakfast and I sent him on his way alone. He came home and we all inquired, "How was school today?" He said, "very bad, I got lost on the way and had to stop and ask which way to walk to find the high school." We felt bad about the lack of communication, but nevertheless, we all had another good laugh."

We hope the open house on Sunday, September 18 was our way of opening Antioch's arms to our Costa Rica'n neighbor. At least 61 people took part in the festivities and became a bit more acquainted with Julio Gerrardo Sanchez.

COIN CLUB CONVENTION OCT. 3, 1971

The 13th Annual Convention of the Lake County Coin Club will be held on Sunday, October 3, 1971, at the Sheraton-Waukegan Inn, 200 North Green Bay Road, Waukegan, Illinois. Hours are from 10:00 a.m. to 6:00 p.m. Admission is free.

Door prizes including valuable U.S. Gold Coins, Proof Sets and Silver Dollars will be awarded hourly. The main exhibit has not been announced. In years past the convention has displayed such things as the U.S. Treasury Departments "Billion Dollar" Collection and the F.B.I. Counterfeit Bill Exhibits.

Of keen interest to collectors will be displays of the new Eisenhower Silver Dollar which has just started to filter into numismatic channels.

Along the Way with

Annie Mae

Have you noticed the days seem shorter? A sure sign that winter is on its way. . . .

The people who attended the showing of the new Fords last Friday evening, had a double treat. Seems the girls pouring the "bubbly stuff" all wore "hot pants". Bet they got more lookers than the new cars! WOW!

If you drive by the fire station Sunday morning, you'll see a lot of action. The firemen will be swinging paint brushes instead of fire hoses.

Happy recent birthdays to JERRY DRIJE on the 19th, LINDA KASIK on the 20th, PAUL PAPE on the 21st, and JEAN MADSEN on Sept. 23. May you have many many more!

Get involved - all the local PTA, church organizations, etc. are in full swing, they need YOU - be a joiner, not a hold-backer. . .

Support our Rescue Squad. Attend the golf outing and dinner today. If you can't come out, please send in your donations. Every dollar counts to keep our squad running.

Don't forget "Peanut Day" this Friday--

DR. and MRS SOLAR were busy this week-end, as their daughter JOANNE was married to Michael Thompson of Grayslake. Mom and Dad can now relax while the happy couple is on their honeymoon.

The Antioch republican Women's Club will be hosting a golf outing Wed. Sept. 29. A lovely day is planned for the golfers, followed by dinner at the Antioch Country Club. Call ELROY ANDERSON, Club Presiden, for tickets.

HURRAH SEQUOITS, they won their first game against North Chicago. (The Sophomores didn't fair quite as well). This Friday at 6 p.m. starts the conference games against our rivals from Grant. Go Get em, Sequoits!!!

Congratulations to Elizabeth and Ray Jenssen who celebrated their 24th anniversary on the 20th. Also George and Katie Bartlett celebrated 23 years of wedded bliss on Sept. 20. Neighbors, Joan and Ray Toft chalked off one more happy year on the 21st.

Julio, our AFS student, was given a nice welcome to Antioch on Sunday. Even tho there was no sunshine outside, there was plenty in the Jensen home.

Congratulations to ELIZABETH and RAY JENSSEN who celebrated their 24th anniversary on the 20th. Also GEORGE and KATIE BARTLETT celebrated 23 years of wedded bliss on Sept. 20. Neighbors, JOAN and RAY TOFT chalked off one more happy year on the 21st.

Congratulations are also in order to REV. ALFRED HENDERSON who celebrates his 43rd Anniversary of his ordination today, the 22nd of September.

Keep October 1 open for that old fashioned Ice Cream Social at Emmons School. The parents club is putting it on for their first fund raising event of the season. This is a good way to help where help is needed and enjoy it at the same time. Ice cream, cake and beverage is being offered. Time is 5:30 to 8:30 p.m.

LADDIE and MARGE MASEK baby sat over the weekend of the 11th so Frank and Myrna (daughter) Ehrhardt could celebrate their anniversary. Grandma and Grandpa sure didn't mind spoiling the grandchildren and what a nice anniversary gift.

A great big WELCOME to MRS MARGARET COLE & MRS M. VIDMOCKE, MR & MRS THOMAS HOWES and sons, MR & MRS JAMES LEHY and children, MR & MRS JAMES KIRKPATRICK and children, MR & MRS TED EVANS and sons, MR & MRS EMMITT JOHNSON and children, MR & MRS JOHN KAPUSTKA and children, and MR & MRS RALPH SCHAFFER and daughters. All are new residents to our community and we want you to feel welcome and happy to be with us.

Well, on my way,
Annie Mae

The Gilead House

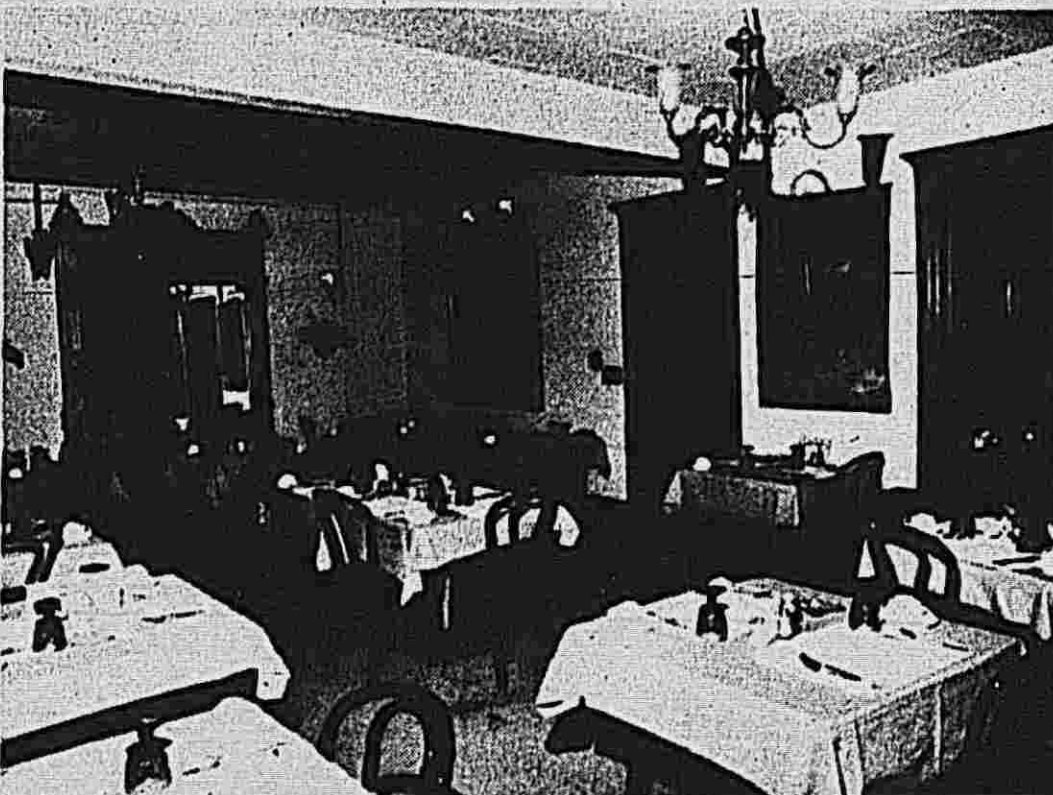

Wilmot, Wisconsin, is a town that time passed by -- preserving a unique heritage of old commercial and residential buildings that have been carefully restored and furnished with rare fixtures and furnishing from the time of the community's commercial glory late in the 19th Century.

In the past years Wilmot has become a real attraction for those with nostalgia for the quieter life our ancestors knew in the little rural market towns of the last century.

Prominent among the attractions in Wilmot is the GILEAD HOUSE, a beautifully dignified, authentically refurbished country mansion built in 1893. To dine at the GILEAD HOUSE is to step back into history to a time when dining was an experience not simply a necessity.

The three story mansion, nestled amidst a grove of ancient oak trees, boasts fine country cookery with a dash of the gourmet -- roast ribeye of beef, Alaskan King Crab Legs with Drawn butter, Shrimp de Jonghe, Chicken Kiev and other specialties that delighted the palates of the robber barons and their ladies in the gaslight era.

Dining at the GILEAD HOUSE is an adventure in eating.

MR. ROY LUNDSTEM, WAUCONDA, 10TH DIST. COMMANDER INSTALLING JAMES FERRIER AS COMMANDER OF THE ANTIOCH AMERICAN LEGION

American Legion Auxiliary News

The joint installation of officers of the Antioch American Legion and the Auxiliary No. 748 was held on September 10th, at the Antioch American Legion Home.

The ladies were installed first, with Mrs. John W. Horan, beginning her second consecutive year as Unit President, but her third term in that office. She served as President several years ago. Other officers installed were Mrs. Lester Zitkus, First Vice President; Mrs. Samuel Pettigrew, Second Vice President; Mrs. Joseph Horton, Secretary; Mrs. Frank Kennedy, Treasurer; Mrs. Edward Jahneke, Historian; Mrs. F. A. Swenson, Chaplain; Mrs. Bernard De Vries, Sergeant-at-Arms; and Mrs. Ray Rathmann, Junior Past President. In Mrs. Jahneke's absence, Mrs. Ralph Fields served as a proxy for her.

Mrs. Robert Broege, Deerfield, Junior Past President, was the installing officer; with Mrs. Bernard Stadick as installing chaplain; Mrs. Lester Zitkus, installing musician; and

Mrs. John L. Horan, the installing sergeant-at-arms. The last three women are all past presidents of Antioch, with Mrs. J. L. Horan as a past district director as well.

Several presentations were made to Mrs. J. W. Horan. She received her third gavel to attach to her past president's pin, and a gift from her officers and chairmen. Mrs. Joseph Horton presented her with the unit publicity press book and unit history, written and compiled by Mrs. Jahneke. Mrs. Horan's husband, John W., gave her an attache case.

The officers of the Antioch American Legion were installed by Roy Lundsten, Wauconda, 10th District Commander of the American Legion and his corps of district officers. James Ferrier was installed as Commander; with Dennis Beatty as Senior Vice Commander; John A. Horan, Junior Vice Commander; Edward Frazier, Adjutant; John W. Horan, Finance Officer; Service Officer and Chaplain, Bernard DeVries; John L. Horan, Historian; Bernard Stadick, Sergeant-at-arms; and Don Gaston, Junior Past Commander.

Past Commander Don Gaston received a traveling clock as a gift from his officers; and incoming Commander James Ferrier was given an attache case.

Antioch Civil Defense Director presented a Citation of Appreciation to Past Commander Roman Vos, for his activities during World War II in civil defense preparedness.

Three generations of one family are serving the Antioch American Legion as officers this year - grandfather John L. Horan, Department and Post Historian; father, John W. Horan, Past Post Commander and Finance Officer; and son John A. Horan, Post Junior Vice Commander.

Over 100 guests were present from Antioch and the various communities in the surrounding area.

Heading a delegation of

several hundreds of Illinois American Legion and Auxiliary members to the annual Department Children and Youth Conference, will be Department Commander Ed Schalk of Chicago; and State President Mrs. Firman Hendricks of Cerro Gordo. This Conference will be held at the Holiday Inn in Bloomington, Illinois; and at the Illinois Sailor and Soldier's Children's School (ISSCS) at Normal, September 25th and 26th. All top officials and their respective children and youth chairmen on the state, division and district levels are expected to be in attendance.

Representing the 10th District Auxiliary, will be Mrs. Joseph Hogue, Waukegan No. 281, District President; Mrs. Louis Thompson, Waukegan No. 281, District Children and Youth Chairman; and Mrs. Herbert Gleason, Libertyville, 2nd Division Children and Youth Chairman.

First on the agenda will be a banquet at 6:30 p.m. at the Holiday Inn, September 25th. After dinner, a school of instructions will be conducted by Mr. Andrew J. Spellos, Superintendent of ISSCS. Among the topics to be discussed will be the drug abuse problem, increases in contributions to the children's spending money fund, for the cottage's maintenance and for needed equipment at ISSCS.

Sunday morning, September 26th, legionnaires and Auxiliary members will attend church services with the children their district sponsors.

Following church services the district representatives have dinner with the children at their cottage. That afternoon, there will be a general discussion with the ISSCS staff, regarding various needs of the children. This session will conclude the two day Conference.

Mrs. William Dowden, Antioch Unit Children and Youth Chairman, states that the 10th District has sponsored Harbord Cottage and the children living there for many years. The Antioch Unit also sponsors a boy, Robert Castle, at Harbord Cottage.

Eyeing those new 72's? Then save on financing charges. It's easy to get a low cost auto loan at The First National Bank of Antioch. Simply tell us the make, model and price of the new car you want and the type of trade-in you have. Then fill out a short loan application at our main office. No delay. No red tape. You'll get the money you need, when you need it. And you'll be proud of the money you'll save.

Channel Lake Chatter

This reporter and Dorothy Enzenbacher journeyed to the Arlington Park Playhouse Wednesday September 15th to see Channel Lake's current resident, Burt Reynolds. Mr. Reynolds is appearing in *The Tender Trap*, and speaking for myself, I thoroughly enjoyed the play, although I think Mr. Reynolds should stick to dramatic acting and leave comedy to the comedians. He was great as Quint, the blacksmith in *Gunsmoke*, as Hawk the police detective and most currently as Dan August. His favorite role was that of Simon in the movie for television "Run Simon Run" which was played last season. After the performance I went backstage and got an autograph for my daughter. There he was amongst many giddy females handing out autographs and posing for all with cameras and being completely delightful to all the fans that make him the star he is today. Needless to say, if you like a well built good looking man, with lots of charm, you will like Burt Reynolds.

Needless to say our neighborhood has been a beehive since word got out that Mr. Reynolds had taken residence here during his engagement at the Playhouse. The play closed Sunday, September 19th.

The stork was very busy

here this week dropping off beautiful bundles to two families.

The Fred Freitags became the proud parents of a precious 7lb.6oz., baby girl at 11:52 a.m. Monday, September 13. The 21 inch angel has been named Darlene Renee and arrived home to be loved by four sisters and one brother.

The Tom Chase's became the very proud parents of tiny Donna Marie on Wednesday, September 15th. Little Donna tipped the scales at 5lbs. 13oz., and was 19½ long. She is now firmly established at her home with two big brothers and a big sister to help care for her.

The Earl Anderson's spent last week vacationing at the Dell's and in Wild Rose, Wisconsin with Mrs. Anderson's parents the Knutson's.

Tom Runyard celebrated his birthday Thursday, September 16th with his children and grandchildren around him to help blow out the 69 candles on his cake.

As of this writing Ray Enzenbacher is still in the hospital. I'm sure cards would be greatly appreciated. Hopefully by publication he will be home recuperating.

Sorry to see that dark corner in our area. Cox's Corner has closed and owner Helen Libert has no immediate plans of reopening.

Well the football season is really here. As the parent of a Frosh player, I attended my first game at 9:30 a.m., "would you believe," last Saturday morning. It's a very rude awakening to realize your first born is, suddenly, grown up enough to be put out on that

field tackling and being tackled by all those big guys. What I know about football you could put in a thimble with room left over for a helmet, but his

father and I came home with our voice's worn out and pride beyond description. The B team, the game we attended, won 12 to 6. The A team lost

20 to 6.

Don't forget to let me know the news, as without you the Channel Lake Chatter will not be.

Jenssens Return

From European Trip.

Mr. & Mrs. Ray Jenssen recently arrived home from a months' tour of Europe. Ray and Elizabeth flew to Frankfurt and rented a car for the tour.

By driving themselves, they were able to visit small villages and spend as much time as they wanted in some of the more interesting spots. Some of the countries they visited were Hildesburg, Nuremberg, Switzerland, Geneva, Lucerne, Austria, and they saw where the famous Passion Play is enacted. Also Munich, and Vienna, Belgium and Holland.

An interesting note; because of an older passport, the Jenssens were unable to take a bus tour from West Berlin,

behind the wall to East Berlin. A lucky thought made them decide to get permission to walk to East Berlin. After much "red tape" and much hesitation Ray and Elizabeth had about a 9 mile walk and saw all they would want to see such as the Brandenburg Gate. It was much more personal than on a bus.

Asked about the language barrier, Mrs. Jenssen replied that in the small villages no one spoke English. At the restaurants it was very amusing, but when you have to, you do learn the language essentials. Hear-tell they had their fill of Weiner-Snitzel and apple strudel!

College hit chat

MISS DIANE R. COSTOFF, daughter of Mr. and Mrs. August Costoff, 549 Garys Drive, Antioch, Illinois, is enrolled for the 1971-72 fall semester at Columbia College—a coed, liberal arts college in Columbia, Mo.

Established in 1851 as Christian College, the college offers more than 250 courses and five career training programs—executive secretarial training, industrial administration, fashion design and retailing, child study and travel administration.

Miss Costoff is a graduate of Antioch Township High.

ELLEN GASTON left on Saturday Sept. 11 for her senior year at Knox College in Galesburg, Ill. Ellen spent the summer at home with her parents Millie and Harold Gaston and brother Richard. She was a big help in the office of the A & B Printing Service, and gave her a chance to see the many people who came into the office.

HOLLY BARTLETT started her school year out right. A sophomore at I.U., Holly fell and broke her leg on her way to an evening class—just 10 days after going back this fall. She will be laid up with a cast for 6-8 weeks. Her parents Mr. & Mrs. George Bartlett from Victoria Street sent her flowers with this note "Thank God you're not twins!"

OSTERLUND

RECEIVES DEGREE

Approximately 2,000 students were candidates for degrees at Southern Illinois University's summer commencement Friday (Sept. 3) in Carbondale.

President Robert G. Layer made the awards in afternoon ceremonies at the SIU Arena. The class included candidates for bachelor's, master's and doctoral degrees. Among those receiving degrees was Alan Michael Osterlund of Rte 5, Antioch who received a B.S. degree.

AARP Defensive Driving Course Offered

As soon as the Defensive Driving Course equipment arrives for holding classes of instruction for those wishing to take the short course in "Defensive Driving", notice of dates will be published and those that have signed up with the Antioch Area Chapter will be notified.

The courses will be held in the Community room of the Antioch Savings and Loan Building and will probably be held on Tuesday mornings

HOMETOWN NEWS

LONG BINH, Republic of Vietnam—Staff Sergeant James R. Berg, the son of Mr. and Mrs. Robert H. Berg who live at 260 North Ave. Antioch, Illinois has recently been assigned to 3rd Squadron, 17th Air Cavalry of the 1st Aviation Brigade near Phu Loi, Vietnam.

The units of the 1st Aviation "Golden Hawks" serve from the Delta to the DMZ and fly more than half of the Army Aircraft now operating in Vietnam. Staff Sgt. Berg is a Maintenance supervisor with his unit.

He entered the Army in July 1967 and completed basic training at Ft. Leonardwood, Mo. His last assignment was Ft. Rucker, Ala.

His wife Elizabeth and children live in Daleville, Ala.

Airman First Class Robert F. Scroggin Jr., son of Mr. and Mrs. Robert F. Scroggin of Rte 2, Lake Villa, Illinois has graduated at Keesler AFB, Miss., from the technical training course for U.S. Air Force radar repairmen.

Airman Scroggin, now qualified to install and repair air traffic control radar equipment is remaining at Keesler.

The airman is a 1969 graduate of Antioch High School. His wife, Kathy, is the daughter of Mrs. Kathy Schad of 1305 W. Hawthorne Drive, Round Lake, Ill.

Navy Petty Officer Third Class John H. Whitten, husband of the former Miss Alice M. Scanlan of 1028 Main St., Antioch, Ill., is now serving aboard the amphibious transport dock ship USS Duluth, at San Diego.

from 9:30 until 12:00.

The Antioch Chapter already has sixteen signed up and the Chain of Lakes Chapter of Northern Illinois has asked for permission to sign up and be part of the course when dates are set.

The cost of taking the courses for members of AARP is \$1.00 and for nonmembers it is \$4.00. If you have any friends who are not members of either Antioch or Fox Lake who would like to take the courses have them contact one of the instructors: John L. Horan, 407 Orchard Street Antioch, Tel: 395-0645 or Harold W. Lindberg, R. 4, Box 209, Antioch, Tel: 396-3012.

REALITY

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

5:00 a.m. — WLS
6:45 a.m. — WEMP-Wis.
7:00 a.m. — WJJD-AM
9:30 a.m. — WAIT
10:30 a.m. — WJJD-FM

THE

TRUTH THAT HEALS

Christian Science Churches

Reality needs to be faced up to, not escaped from, according to the Lesson-Sermon to be heard at Christian Science Church services Sunday.

"Let us learn of the real and eternal, and prepare for the reign of Spirit, the kingdom of heaven, — the reign and rule of universal harmony, which can not be lost nor remain forever unseen," a citation to be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy states.

The Golden Text is taken from the Apostle Paul's letter to the Galatians: "The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance."

The subject of the Bible Lesson-Sermon is "Reality." All are welcome at First Church of Christ, Scientist, Beacon Hill, Rte. 173 & Harden, Antioch, Ill. The service begins at 11 a.m.

Obituaries

MR. OTTO E. ANDERSON—80 Yrs. old of 1805 E. Pine Crest-Lindenhurst, Ill. passed away on Tuesday Sept. 14th at St. Therese Hospital in Waukegan. He was born on March 8, 1891 in Lindesder, Sweden and came to the United States in 1923 to reside in Chicago until moving to Lindenhurst 10 years ago. He retired in 1956 as a baker by occupation. He had married Anna Leek on May 1, 1923 in Sweden and she preceded him in death in 1936.

Survivors are one son Otto R. Anderson (Lindenhurst, Ill. with whom he resided) — one daughter Mrs. Eleanor (Stephen) Betley (Somerset, New Jersey) — and three grandchildren.

Funeral services were held at 1:30 P.M. on Friday Sept. 17th at the Strang Funeral Home in Antioch with the Rev. Harold Nelson of St. Mark Lutheran Church at Lindenhurst officiating. Interment was private. Friends desiring may make contributions to the Lake Villa Rescue Squad

MR. OTTO J. VOGEL—76 Yrs. old of Sunset Oaks Manor Subdivision near Trevor, Wis. Passed away on Tuesday Sept. 14th at Kenosha Memorial Hospital. He was born June 24, 1895 in Wheatland Twp.—Kenosha County, Wis., and had resided in Kenosha County all of his life. He held membership in Holy Name Church at Wilmot-Barracks No. 2423 of the Veterans of World War No. 1—Allied Council of Senior Citizens of Wisconsin—and the Retirees Club of Local No. 72 U.A.W. He had worked for American Motors from 1947 until his retirement in 1960. He married Josephine Chrost on Sept. 19, 1922 in New Munster, Wis. He was preceded in death by one son Ralph — three brothers and two sisters.

Survivors are his wife Josephine—one son Raymond Vogel (Livingston, California)—two daughters Mrs. Ruth (Pasky) Pallamolla (Kenosha, Wis.)—Mrs. Joan (Robert) Beland (Manito, Ill.)—one sister Mrs. Ella (Henry) Malzahn (Kenosha)—and seven grandchildren.

A funeral mass was held at 10:00 A.M. Friday at Holy Name Church in Wilmot.

CHARLES EDWIN WILDER III—3 months old of 1046 Main Street—Antioch, Ill. passed away suddenly from a heart ailment on Friday, Sept. 17th at the home of his grandparents Glen and Emilia Brueggemann at Bluff Lake near Antioch. He was born June 1, 1971 in Waukegan and had lived in Antioch all of his life. He is survived by his parents Charles II and Kathleen Wilder (Antioch)—his paternal grandmother Mrs. Patricia Stroud (Lindenhurst, Ill) and several aunts and uncles. Services and interment were private.

MABEL (SIMONSEN) DUNNING—51 yrs. old passed away suddenly on September 14, 1971 in Chicago, Illinois. She was born in Antioch on August 1, 1920. Survivors include one son Jack (Darlene) Dunning (Chicago), 2 daughters Leslie Covinillion (Chicago), and Janet (Neal) Mosena (Chicago); 2 brothers Edgar (Lucille) Simonsen (Antioch) and Walter (Eileen) Simonsen (Waukegan); Two sisters Helen Celina (Chicago) and Anne Ankenberg (Chicago). Grandmother of two and also neices and nephews.

Services were held Sept. 17, 1971 at 1:30 p.m. at Casey Laskowski Funeral Home, West Diversey Ave, Chicago. Rev. Gilbert O. Halverson officiated with interment in Acacia Park Cemetery.

UPPER ROOM CITATION AWARDED

The annual Upper Room Citation was awarded to the Reverend Dr. Alan Walker, president of the Methodist Church in New South Wales, world evangelist and well-known author, at a dinner in Denver, Colorado, August 26, 1971, in recognition of his contributions to Worldwide Christian Fellowship.

The 59-year-old Methodist minister, whose father served

as president of The Methodist Church of New South Wales, also, is known throughout the world for his evangelistic zeal, his ecumenical leadership, and a telephone counseling service which he founded.

Dr. Walker was a delegate to the world assembly of the World Council of Churches as early as 1948 and has continued to serve in several ecumenical groups. Because of his involvement in Roman Catholic - Protestant conversations, several Roman Catholic priests are involved in planning some missions Dr. Walker is currently conducting in 20 Australian cities.

One of the most popular programs associated with Dr. Walker's ministry has been Life Line International, a telephone counseling service he founded in 1963. He is now president of the service which has ministries in operation or planning stages in 200 cities in eight countries.

Dr. Walker has nearly two dozen books to his credit, including *As Close As The Telephone*, *A Ringing Call to Mission*, *How Jesus Helped People*, *The Many-Sided Cross of Jesus*, and *A New Mind for a New Age*.

Previous Upper Room Citation honorees have included Dr. Billy Graham, Dr.

Francis Ibiem of Nigeria, and the late Dr. Ralph W. Sockman. Dr. John R. Mott, the first recipient of the award, was twice honored.

LAKE COUNTY HOMEMAKERS ACTIVITIES

On August 11, 1971, Mrs. Helen Volk, Senior Extension Adviser, conducted a training school on "Selecting and Using Small Electrical Appliances". Leaders from each of the 21 Homemakers Clubs attended the school, learning about the latest Electrical Appliances, ranging from the Electronic Range, demonstrated by a representative of the Sharp Company, to the now very popular Electric Fondue Pot demonstrated by Mrs. Helen Volk. This lesson will be given by the leaders in their individual clubs during the months of September and October.

In preparation for the Fall Homemaking Arts Show, Mrs. Helen Volk, Senior Extension Adviser, and her Assistant, Miss Cheryl Guyer, have been

presenting a lesson to each club on Exhibiting and Demonstrating Effectively. The lesson features an actual demonstration given by Mrs. Volk, on selecting placemats to harmonize with different types of dinnerware.

As you can see, the Homemakers Extension Association offers opportunities for many women to increase their homemaking skills plus many other opportunities. Following is a list of Clubs in the area:

Chain of Lakes Club
Mrs. R. Minarik, President
587-5189

Lake Villa Club
Mrs. Anna Westberg,
President
356-5333

Antioch Club
Mrs. John Connors,
President

CHIEF DAVIS

RIDES BUMPER

Our Police Chief hit the big time. Usually those super-ordinary people like Presidents and first ladies, governors like Rockefeller, Sec. of States like Powell and Lewis, Bosses like Daley, and Mayors like Toft, have their names in big bold letters. Their names are exposed to the public, so to speak, their names are in the public eye.

These persons and their deeds or misdeeds are acclaimed or not acclaimed. Their names strike the front pages and are hung on the marquee. Can a car bumper be considered the marquee for our Police Chief?

His name was there on a bumper sticker - Big and bold - stating, "Jack Davis turn in your badge". There was our police chief's name sticking next to the license plate: PM-----.

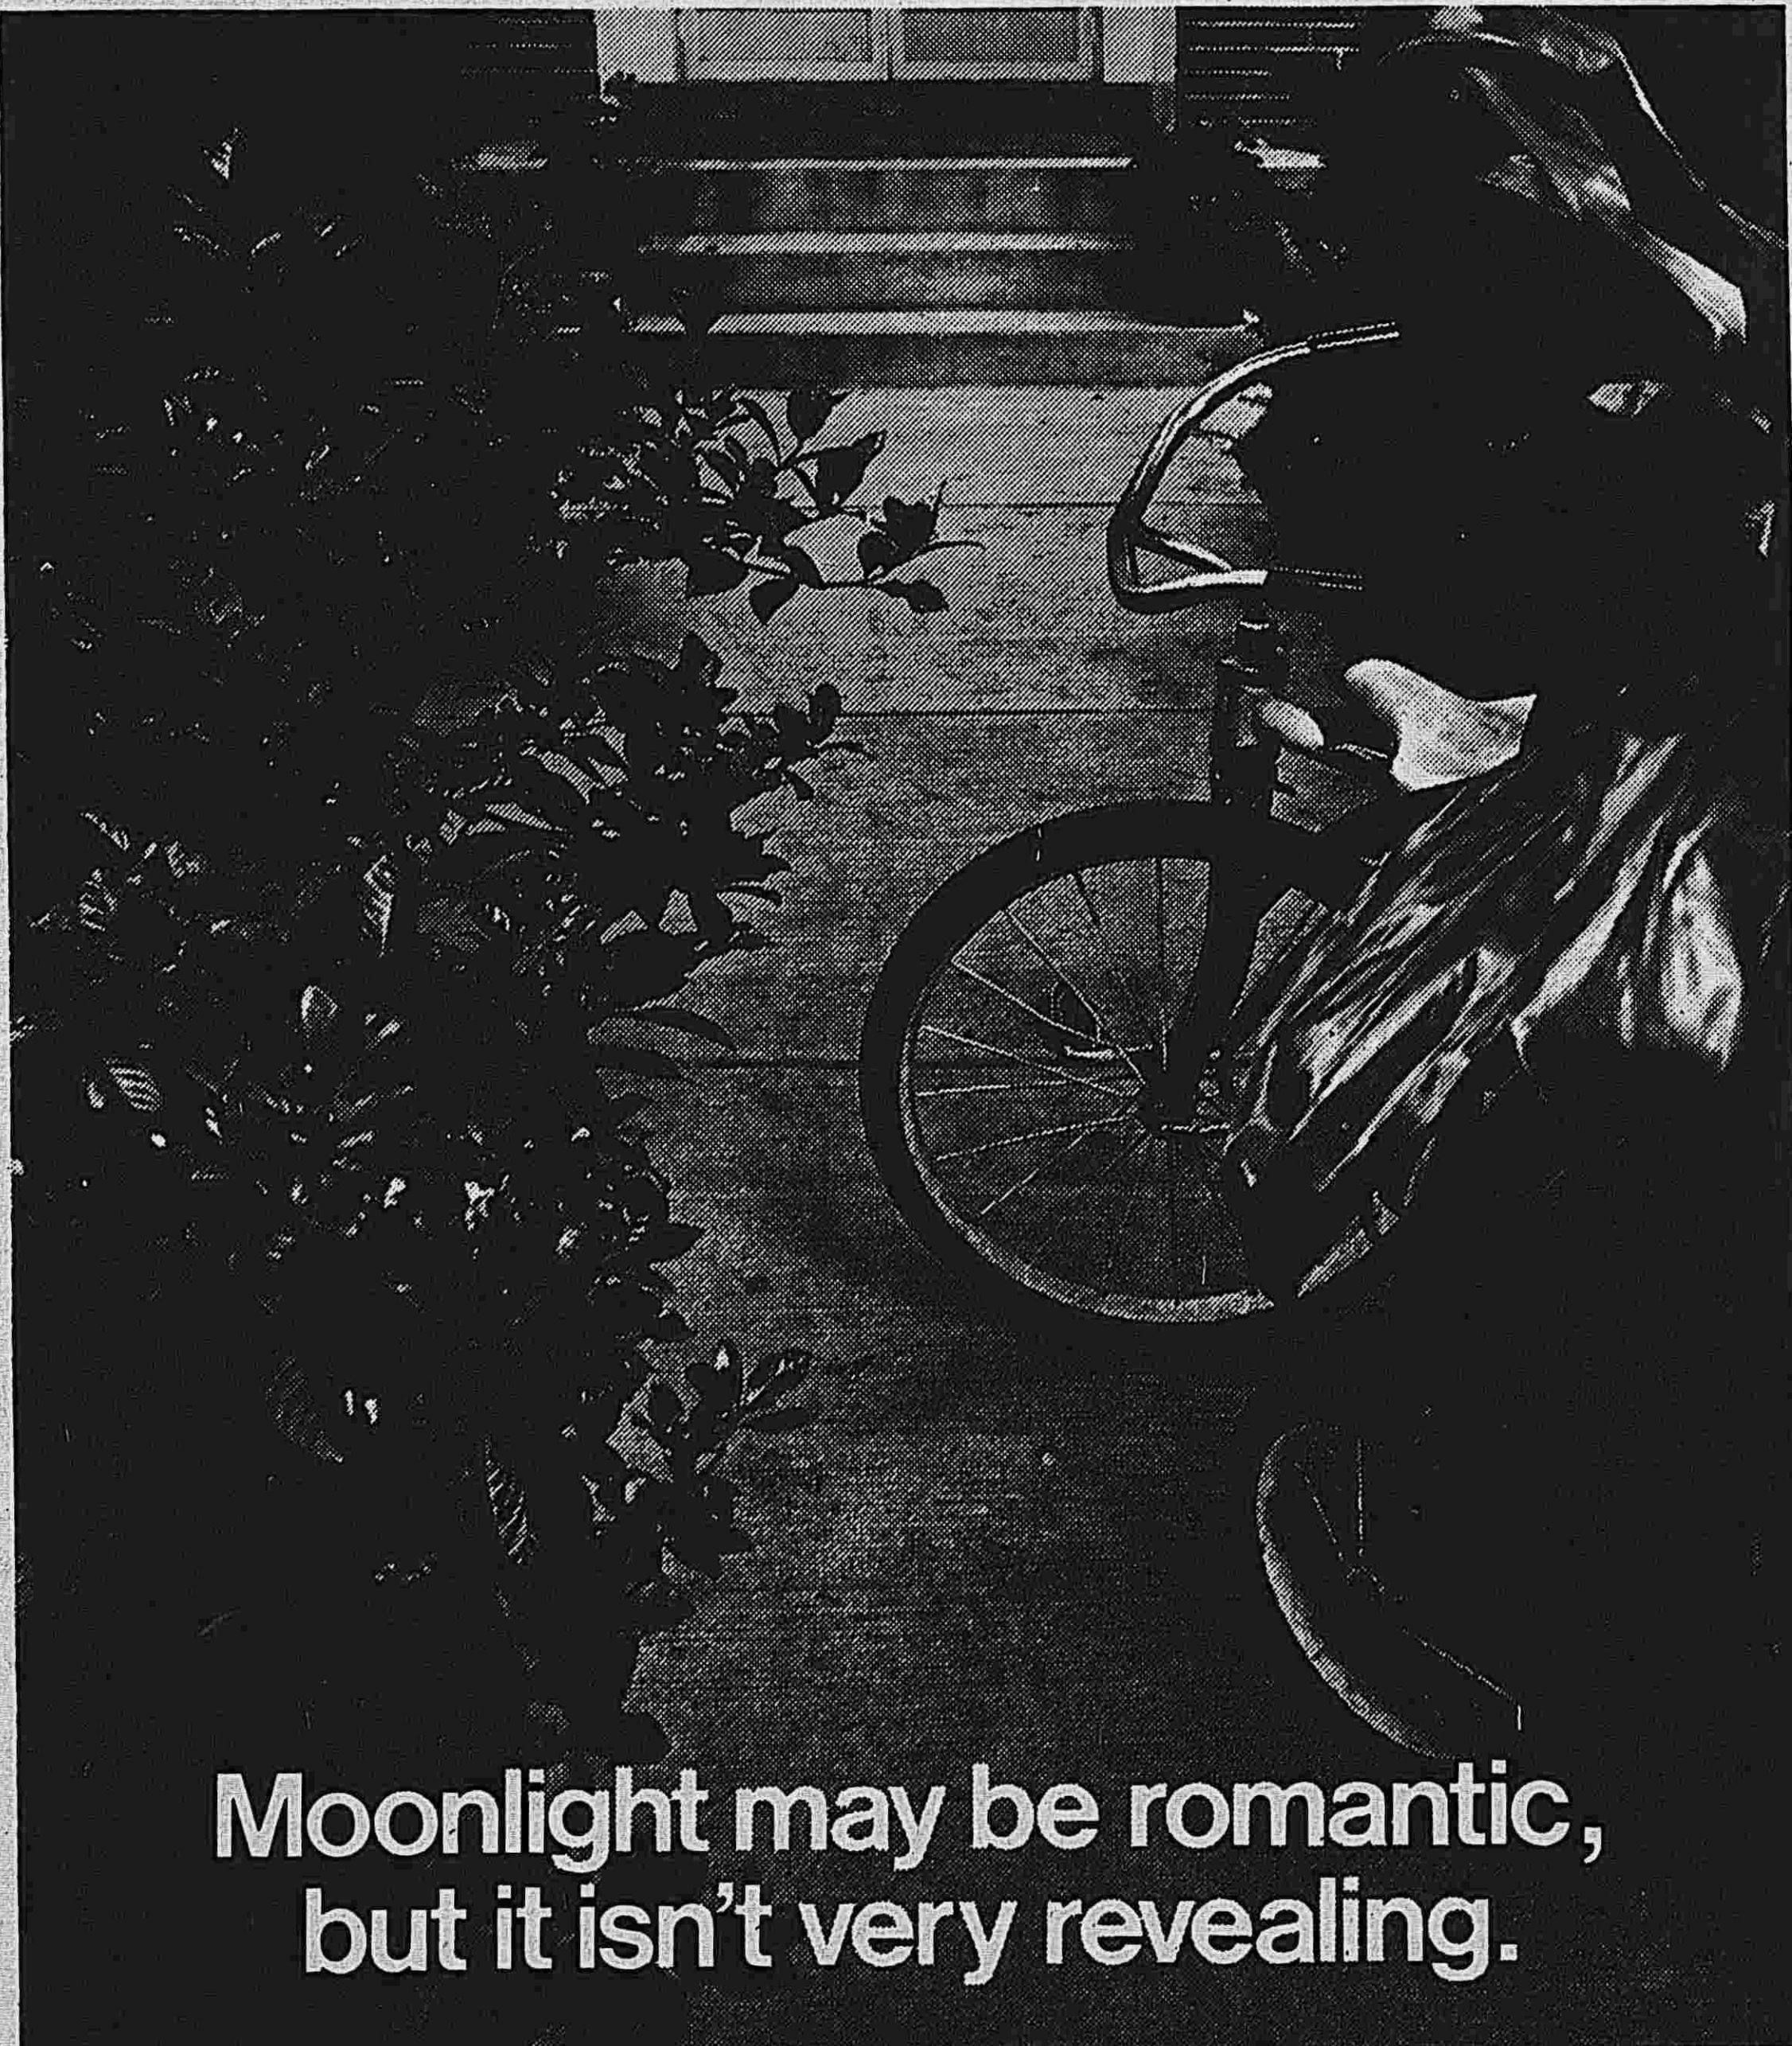

(Editors note: A staff member saw the bumper sticker. Our answer is "Jack Davis - Don't Do It! Keep your badge, you are doing a fine job.")

CERTIFICATE OF CONFORMANCE AWARD

The Municipal Finance Officers Association has informed John Darrow, Lake County Auditor, that his office has been awarded a Certificate of Conformance for the annual financial report of Lake County prepared by Mr. Darrow's office.

Mr. Darrow was informed that it was the decision of the Special Review Committee for Award of Certificates of Conformance that the excellent report prepared by his office conformed with the high standards for financial reporting established by the Municipal Finance Officers Association of the United States and Canada and the National Committee on Governmental Accounting.

The Auditor's office is only the 19th governmental unit in Illinois to be so recognized. Other Illinois Counties that have received Certificates of Conformance are DuPage and Rock Island. The award was presented to Lake County from among some 1600 submitted annual financial reports. Similar certificates have been awarded for reports prepared by three states, thirty-four counties, twenty-seven special districts and authorities, nineteen Canadian municipalities, and 211 U.S. municipalities. These governmental units are located in thirty-five states and five Canadian provinces.

**Moonlight may be romantic,
but it isn't very revealing.**

There's a lot to be said for moonlight—but your yard shouldn't have to depend on it. It's too easy to overlook the half-concealed tricycle on the edge of the front walk. Or the unexpected step in your backyard path. An electric pole lamp, controlled by a photoelectric cell, will light up

automatically at dusk and bathe your sidewalk and drive in gentle but revealing light. Lighting at the curb or along the garden path can warn you of that unexpected step or unreel hose. And an electric yard lamp controlled from both the house and the garage will illuminate the garage and outdoor storage area.

Make the outside of your home as safe and as cheerful as the inside—with electric yard lighting.

John H. Uldell, new car manager, (left), and Ed Rouzan, general manager, (center), of Lyons & Ryan Ford, Antioch, Ill., discuss the 1972 Torino Gran Sport with R.M. Gilliland, assistant Chicago district sales manager for Ford Division, at a unique pre-introduction product comparison program held recently at Lake Geneva. They drove a 1971 Torino to the event and returned in a 1972 model. The purpose of the program was to demonstrate the dramatic improvement and handling of Ford Division's new intermediate size entry, one of the few 1972 cars to undergo major design change. In addition to new exterior styling, the 1972 Torino has switched from the unitized construction of the 1971 model to a strong perimeter-type frame and a new coil spring suspension system which gives it the quietness and handling characteristic of a much larger car. The Torino and Ford's other 1972 models go on public sale September 24.

First Woman To Receive ELLAphant Award

Stephanie Sulthin, the grand lady of the court house, and John Darrow, veteran County Auditor, were chosen today to receive the coveted Antioch Township Republican Club's ELLAphant Award.

ATRC Honors Awards Committee Chairman Harry Stern made public the list of those chosen to receive the honors.

Stephanie Sulthin has been ensconced in the office of Clerk of the Circuit Court for more years than one can remember, said Stern, and she has endeared herself to all who

have come in contact with her. Her operation of the office has been a model of efficiency. She is the first woman to receive the ELLAphant.

Darrow has made an enviable record in his many years in office, and was recently awarded a special certificate for his excellent financial report for the County.

Long time party stalwart Robert Milton, Chairman of the Lake County Central Committee, was singled out to receive the ATRC Mr. Republican, Lake County Award for his prodigious labors in behalf of the Republican Party and its candidates.

A PREVIEW OF A FALL SEASON AS DR. ALAN THAIN TAKES AIM ON OPENING DAY OF TEAL SEASON

THE RIFLES of L.C.

The Lake County Rifles were beaten man for man Saturday night by the Madison Mustangs in Madison 49-6. The Mustangs own the two top quarterbacks in the Central States Football League, Terry Murawski and Jerry Hackbart, who interchangeably gave the Rifles consistent troubles.

The first down of the evening wasn't merited until some five minutes had elapsed in the contest and Rifle Johnny Dobbs connected on a 12 yard pass to Karl Maio to bring the ball into Madison territory. But the Rifles were not able to capitalize on any of their seven first downs throughout the game.

The lone Rifle score came on a 62 yard interception by Rich Telander mid-way through the second period. Less than a minute after Telander's touchdown interception, Rifle Tony Bertuca intercepted another Mustang pass and ran for 14

yards to the Madison 13 yard mark.

After Bertuca's interception, the Rifles were able to get the ball down to the 7, but sent Frank Gelling in on fourth down to attempt a field goal. Gelling's kick was low and to the right, again failing to put the Rifles on the scoreboard.

The Mustang rushing game which tallied 207 of the 445 total yards gained for the Mustangs was spearheaded by John Smith who ran 93 yards in 13 carries while scoring 3 touchdowns. Quarterbacks Murawski and Hackbart almost evenly split the 238 yards passing.

Don Rowden, the Rifle middle linebacker, was injured in the second quarter and reportedly has torn ligaments in his ankle which may keep him from seeing very much action in the next contest.

Head Coach Gerry Sandberg was disappointed with the loss, but still very hopeful about the remainder of the season. "I'm not about to quit, and I know the veterans aren't either," Sandberg said. "And when the

Plans Finalized For Warm-Up Shoot

(l to r) Bill Brook, Norm Rockow, Jim Williams and Harry Stern, aiming at the "high fliers" at the 885 Club shoot.

Antioch's 885 Civic Club is all ready for the 1971 crop of shotgunners with a young mountain of meat and poultry to be dished out to winners at their Hunter's Warm-Up Shoot on Sunday September 26th at the trap range of the Northern Illinois Conservation Club, starting at 9 a.m.

Eager hunters will be able to sharpen up the "old shooting eye" in preparation for the soon-to-open hunting season, but better yet, non hunters will be able to get in some fancy shooting without the need to go far afield in search of scarce game. Clay targets will be the quarry and mouth watering goodies, all cleaned and ready to pop into the cooker will be the reward.

On the line will be rock cornish hens, chickens, ducks,

rookies fire up, I'm sure it will be far from over. Everybody knows that we can still win the division with a 7-3 record, so we're still very much in contention."

This Saturday finds the Rifles home against Racine. Racine now has an 0-4 record after losing to Forest City this past weekend. Game time is 8:00 p.m., at Carmel High School in Mundelein.

turkeys and JoPat all-beef patties, and they will be won by all classes of shooters.

At the top of the list of bargain shoots is the 3 for \$1 Cornish Hen Shoot, to be shot in three events which will make it possible for good shooters, poor shooters, and lucky blokes to win an equal share of the prizes.

In one event, the Hi-Lo-White Bird Shoot, the highest scoring gun wins a hen; the lowest scoring shooter wins a hen, and so does the lucky Joe who bags the white target.

Another event, the Two White Bird Shoot makes it possible for two lucky blunder-bussers to win hens by breaking the white targets which are thrown from the traps at unknown times, while the high scoring sharpie gets the third bird.

For the hot shots, the Winner Take All event, as its name indicates, gives all three cornish hens to the high scoring gun.

Winners may claim JoPat beef patties instead of cornish hens, if they prefer. Or they may shoot for beef patties instead of cornish hens.

Chickens will go on the firing line in 1, 2, 3, and 5 White Bird Shoots, with the high gun in each case winning one chicken, and the lucky guns who break a white target getting a chicken too. Missed white targets are thrown again and again until broken. Here too, shooters may claim beef patties instead of chickens. Regular targets are black with yellow tops.

Ducks will be shot for in

high scoring events. In the Turkey Shoot, high scoring nimrod wins a gobbler, and lowest scoring hopeful gets a chicken. And the "bird".

In all contests, ties for high will toss a coin or shoot off from the 25 yard line. Ties for low will be decided by the toss of a coin.

All events are shot by five-man squads from the 16 yard line. With the exception of the Winner-Take-All events, all of the other contests have been designed to enable the average and low average gunners to win their fair share of the loot.

Non shooters can also participate in the fun. They may shoot at a stationary target and win themselves some of the goodies. In this contest a shot is fired at a card printed with an X in a circle, and the lucky one whose pellet comes closest to the center of the X wins a pair of chickens. The 885 Civic Club supplies the gun and shell. Women especially, go for this one, too.

Last year over 850 shooters cleaned up everything in sight before it became dark, so club officials are making plans to accommodate about 1000 shooters at this year's event.

Ladies of the 885 Club will have sweet rolls and coffee, and hot roast beef sandwiches all day long.

Scene of the shoot is three miles west of Antioch on Route 173. Proceeds from this event will be used by the 885 Civic Club for their planned civic projects.

GEM AND MINERAL SOCIETY MEETING

Mr. George Green of the Public Relations Department of Abbot Laboratories will be the featured speaker at the Tuesday, September 21st meeting of the Lake County Gem and Mineral Society. He will tell about "The Ocean and Its Mineral Resources". The meeting will start at 7:30 p.m. in the Waukegan Public Library Auditorium. Various members of the society will have bragging specimens at the show and tell tables. At this meeting details of the club picnic to be held on Sunday, September 26th at Daniel Wright Woods will be given. The society, which is affiliated with the Midwest Federation of Geological and Mineralogical Societies, will welcome rockhounds at both gatherings.

FRESHMAN "A" FOOTBALL

Antioch's freshman "A" team started the 1971 season off on a sour note by losing to North Chicago 20-6 last Saturday.

The game was a typical opener with both sides making numerous mistakes. Two intercepted passes set up scores for the Warhawks. Antioch's lone score came late in the fourth quarter when KEVIN ANO passed 20 yards to MIKE PERRONE for a touchdown.

Despite the score, Antioch's defense was not too bad; BILL PETTY led the team with 6 tackles and 2 assists. DAVE KISNER blocked a North Chicago punt and LARRY

LLOYD and Petty recovered Warhawk fumbles.

The next freshman game is this Saturday at 9:30. The junior Sequoits entertain Grant in their league opener.

FRESHMAN "B" FOOTBALL

The freshman "B" football team opened the season with a 12-6 victory over the North Chicago WarHawks.

CARL BLUMENSCHIN led the Sequoit attack with 2 touchdowns and a total of 100 yards rushing. The remainder of the Sequoit offense was carried by JOHN HAY, 48 yards rushing in 14 carries and RON SHEEDLO 12 yards rushing in 6 carries. JEFF ZERSEN caught an 8

yard pass from quarterback JEFF SCHMIDT. This was the only pass that the Sequoits threw in the game. The following people were cited as playing a sound defensive game. Safety, Jeff Schmidt; inside line, Scott Vazquez; defensive halfback, Candido Laureano; (intercepted WarHawk pass), and Gary Janssen.

SEQUOITS BEGIN

WORK FOR GRANT

It's always nice to win that first one. I was pleased with the performance, the defense did an outstanding job. They were more effective than the offense, but that's to be expected this early in the season.

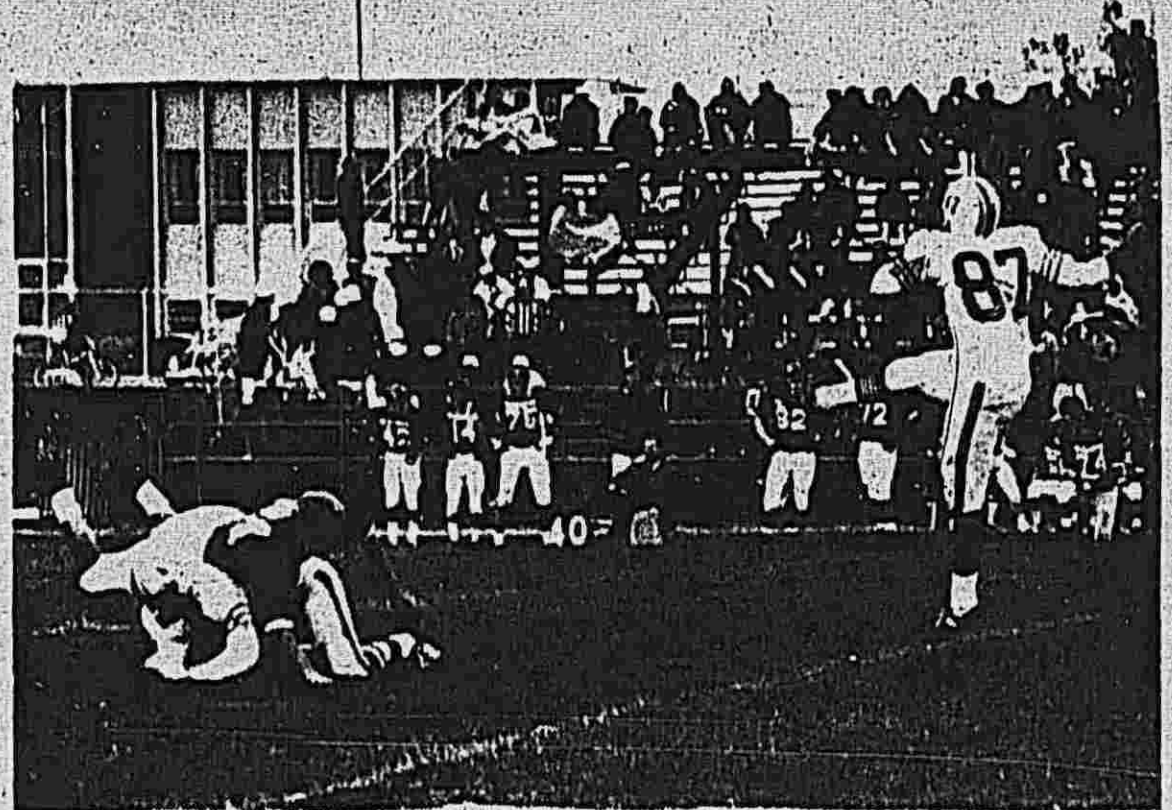

On offense our timing was off, but should improve as our young and inspired Quarter Back Chuck Chapman gains game experience. Our pass blocking broke down at times and will have to improve in future games. Chapman can through well if given the time.

On defense things went well, but we will have to improve for next week.

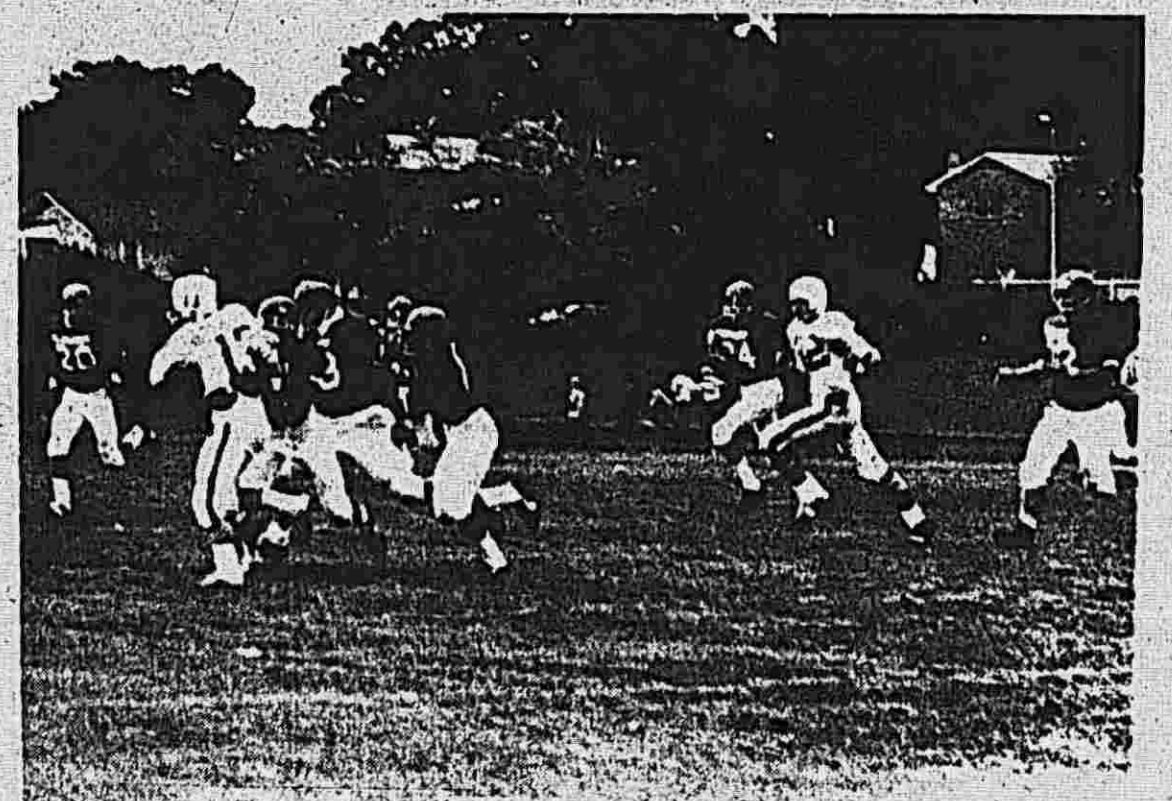

The next sequoit game is with Grant this coming Friday night under the lights. According to Coach Nelson it is going to be a tough game. Grant has an improved team this year with lots of desire, as they showed by beating Libertyville for the first time in many years in their opener. They have a good passing game and as Coach Nelson pointed out this was a weak spot for the Sequoits against North Chicago.

Work on an improved offensive punch and a improved pass defense are the order for the week for the Victorious Varsity Sequoits.

ACHS defeats Warhawks 17-0

SENIOR JIM REVELL No. 89) GETS OFF ANOTHER LONG PUNT IN VICTORY OVER WARHAWKS - NOTICE FINE BLOCK BY FELLOW TEAM MATE JIM MIHOVOLIVICH

Football photos by Dennis Doonan

FRED POPP NUMBER 13 OF ANTIOCH BEING BLOCKED BY WARHAWKS

A FINE EFFORT IN A LOSING CAUSE BY A SOPHOMORE SEQUOIT

THE SOPHOMORES LOST TO NORTH CHICAGO 20-0

12th MAN

ANTIOCH started the 1971 football season right with a 17 to 0 victory over North Chicago last Saturday. The Warhawks were tough, but we

were ready for them. We were in top shape and really fired up. I have to commend Coach Nelson for his way of talking to us just before a game that really gets us up for it.

On offense we stuck with about four or five plays throughout the entire game. The interior line did a fine job of blocking with Tell and Kennedy at tackles, Huebner and Donicaat guards, and Benes at Center. Our longest play from scrimmage was a 20 yard end around to Revell which was stopped on the North Chicago 1 yard line. On the next play, Sterbenz took the ball over for 6 points. The point after was good. Other scoring was on a field goal by Revell in the fourth quarter and a 1-yard TD by Crutchfield also coming in the fourth quarter.

Our defense looked good. Bob Huebner had 8 tackles as we held the Warhawks to 90 yds on the ground. They had a few big gainers which they should never have gotten, but we kept them from scoring.

North Chicago only punted once. The rest of the time they turned the ball over to us by fumbles or interceptions. We very definitely had all the breaks in the game, but that wasn't the only reason for victory. We hit hard and were in better physical condition than they were. Our coaches are responsible for our being in such good shape.
